

PRESCHOOL & KINDERGARTEN PROGRAMS OFFERED

Our Lady of the Visitation School offers 3 different preschool programs, along with full day Kindergarten. Preschool programs are labeled P3, P4, and PK. Please familiarize yourself with the preschool program definitions below so that you can register your child for the appropriate class during online registration. **PRESCHOOL CLASSES FILL UP AND SWITCHING CLASSES AFTER REGISTRATION IS HIGHLY IMPROBABLE.**

P3 - If your child is 36 months (3 years old) by September 30th, 2023, this is the program for your child. This class meets on Tuesday and Thursday. There is a half day or full day option.

P4 - If your child is 48 months (4 years old) by September 30th, 2023, or if you feel that your child is not quite ready for a five day a week program, you may want to consider the 4 year old program that meets Monday, Wednesday, and Friday. You can choose a half day or full day program.

PK - Our PK program is a pre-kindergarten program for 4 and 5 year old children that **do not** meet the cut off, or who are not quite ready for the kindergarten program. The PK program is a five day a week program that has a half day or full day option. For enrollment in this program, your child must meet the age requirement to attend kindergarten for the following school year (2023-2024 academic year)

KINDERGARTEN - Kindergarten is a five day a week program that is only offered as a full day program. Children must be 5 years old by September 30th, 2023.

Registration, tuition rates, Before & After Care (grades K-6 only), and more information can be found on our website at:
