

# Welcome to Adobe Acrobat

Here are three tips for a simpler way to work.

## 01 | **Meet Acrobat AI Assistant**

Interact with your document to produce high-quality content quickly.

**Ask AI Assistant.** Get quick answers linked to sources primarily from your document.

**Create impactful content.** Use AI responses to craft emails, blog posts, meeting notes, or outlines. You'll sound like an expert in seconds.

**Get one-click summaries.** Pull out key points to help you navigate your documents and get important information fast.

**Use your favorite device.** AI Assistant is available on extensions, desktop, web, and mobile.

**Be inspired.** [Get ideas and step-by-step guidance](#) on how to use AI Assistant to save time and work smarter with your documents.

## 02 | **View, edit, convert, and e-sign PDFs all with Acrobat**

Simplify the way you work and communicate through documents.

**View any PDF.** Get the best PDF viewing experience. Download or print any PDF with a quick click.

**Edit text and images in PDF files.** Add comments, highlights, and even drawings to PDFs.

**Convert any PDF.** Turn a PDF into Microsoft Word, PowerPoint or Excel files, and more.

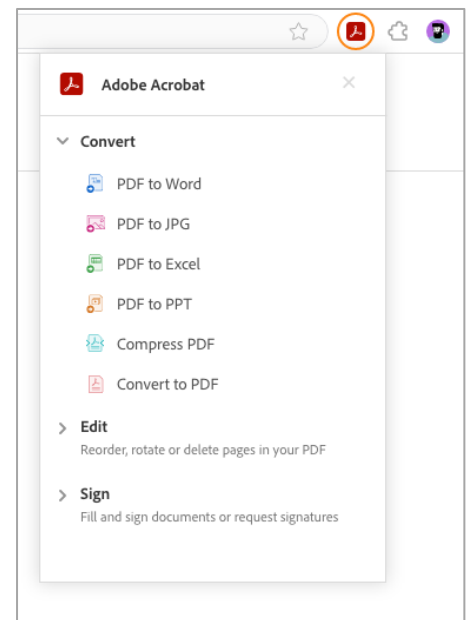

**Fill out and e-sign.** Digitally fill out and sign any document.

## 03 | **Work from your browser, anywhere**

For quick access to your Acrobat extension:

- Click the puzzle icon to the right of your browser's address bar
- Select the icon next to Adobe Acrobat to allow for persistent visibility

Now you have the power of Acrobat right from your browser. Extensions, desktop, web, or mobile – it's up to you. Access your documents and easy-to-use PDF, e-signature, and AI tools from any device.
