Our Lady of the VISITATION SCHOOL

There Are Different Gifts, But The Same Spirit.

OUR PLEDGE TO VISITATION 2027-2028 SCHOOL YEAR

As a valued member of Our Lady of the Visitation Parish, it is important that you and your family participate in the faith life of the parish by worshiping with the Divine Mercy Family of Parishes at weekend and Holy Day Masses throughout the year, volunteer time to Parish ministries, and financially support the Parish on a weekly basis through the offertory.

With your registration to the school, you are required to accept or decline the pledge below.

We recognize that many of our families are extremely supportive of our Parish and school; for that we are most grateful. The cost to educate each student is more than the tuition charged and the difference is paid by the Parish. The costs required to maintain our Church and Parish ministries also depend on your financial support.

As a way to give back to God in gratitude for all He has given to you and your family, we are suggesting an average weekly contribution to the offertory of $30 per week. For families who have been blessed with a financial situation to enable them to contribute an additional amount, please consider an average weekly contribution reflective of those blessings.

After prayerful consideration, in order to maintain the excellence of Our Lady of the Visitation Parish and School, our family pledges to:

1. Participate in the faith life of the Parish by attending weekly Sunday Mass and Holy Day Masses throughout the year as a family, evidenced by our envelopes collected at Mass. (Any Divine Mercy Family church may be attended – **minimum of 32 Sundays**)
2. Participate in the community life of the Parish by volunteering our time and talent to ministries and organizations. (Includes school volunteerism)
3. Sincerely support the Parish financially on a regular, ongoing basis by using the Sunday offertory envelope or donating online.

As a registered parishioner, failure to accept this pledge will automatically move your family to non-active parishioner status for new student admission purposes, plus result in a loss of eligibility for Parish and/or "Rising" scholarships for current and new students for the 2027/2028 school year. Fulfillment of this pledge will be considered for these same purposes in the 2028/2029 school year.
