

OUR PLEDGE TO VISITATION

As a valued member of Visitation Parish, it is important that you and your family participate in the faith life of the parish by worshiping with the Divine Mercy Family of Parishes at weekend and Holy Day Masses throughout the year, volunteer time to Parish ministries, and financially support the Parish on a weekly or monthly basis through the offertory.

With your registration to the school, you are required to complete the pledge card below which provides valuable information to the Parish.

We recognize that many of our families are extremely supportive of our Parish and for that we are most grateful. However, the cost to educate each student is more than the tuition charged with the difference being paid by the Parish.

As a way to give back to God in gratitude for all He has given to you and your family, we are suggesting an average weekly contribution to the offertory of \$30 per week. For families who have been blessed with a financial situation to enable them to contribute an additional amount, please consider an average weekly contribution reflective of those blessings. Contributions less than this amount would fall short of what is needed for the overall upkeep and improvement of the Parish and school.

After prayerful consideration our family pledges the following to Our Lady of the Visitation Parish and school:

To maintain the excellence of our Parish and school, we as a family pledge to:

1. Participate in the faith life of the Parish by attending Masses on weekends and Holy Days throughout the year as a family.
2. Participate in the community life of the Parish by volunteering our time and talent to ministries and organizations.
3. Financially support the Parish on a regular, ongoing basis by using the Sunday offertory envelope or donating online.

As a family, we pledge to support our Parish and school by contributing \$_____ each week.
