Our preschool philosophy is based on developmentally appropriate practices that meet the needs of each child. We encourage learning through meaningful play and hands-on experiences in a child-centered, teacher guided environment. We believe each child is created in the image and likeness of God and we celebrate each child's unique abilities, talents, and gifts. We promote kindness, caring, and a sense of community by teaching the whole child and enriching their mind, body and spirit. Our experienced teachers plan lessons that are designed to meet each child's social, emotional, cognitive, and physical needs. We incorporate real world experiences designed to promote social interaction, problem solving skills, and critical thinking. We believe in working collaboratively with parents and recognizing the family partnership as an essential component of the learning process.

## **CURRICULUM & ASSESSMENTS**

---

Our Lady of the Visitation Preschool curriculum aligns with Ohio's Early Learning and Development Standards. The five domains we will focus on are Social and Emotional Development, Physical Well-being and Motor Development, Approaches Toward Learning, Language and Literacy Development, and Cognition and General Knowledge. We will be using Big Day for PreK™ which includes Language Arts, Math, Science, Social Studies, Life Skills, Gross and Fine Motor Skills, and Social-Emotional Development. We use the *Stories of God's Love* curriculum from RCI Benziger which aligns with the Archdiocese of Cincinnati Graded Courses of Study for religion.

Assessments are both formal and informal. We will use the Early Childhood Inventory (ECI) included with Big Day for PreK™ which will focus on the most predictive indicators of kindergarten readiness (oral language development, phonological awareness, knowledge of the alphabet, mathematics, and social-emotional development). Assessments will be conducted throughout the year. Parents will be given updates on their child's progress at the end of the first, second and third trimester for the P4 and Pk classes. The P3 Class will have a winter and spring progress report and at least two parent teacher conferences each school year. Additional conferences may be requested by the director, teacher and/or parent at any time they feel it is necessary.

## **REST TIME**

---

Children staying for the full day program will have a designated rest time. After lunch and outdoor play time, children will be encouraged to quietly rest on their nap mat. Low lighting and calming music will be provided. Children who have a difficult time falling asleep or waking before others will be provided with quiet activities. Children that fall asleep during naptime will be awakened after 1½ hours of sleep.

## **OUTDOOR PLAY**

---

The children will have outdoor playtime each day, weather permitting. We will utilize our walking trail and outdoor play area along with visits to the Grotto. Please dress your child according to the seasons.

## **PRESCHOOL SUPPLIES**

---

Each child will be provided with a tote bag to decorate with their family. There will be a list of supplies that each family will need to purchase for your child's use in the classroom. Additional items may be needed throughout the school year.

## FIELD TRIPS & SPECIAL OCCASIONS

---

Our preschool students do not leave the school grounds for field trips. We will bring in outreach programs and visitors to our classrooms. These programs will offer a variety of hands-on, real world experiences for your child. Each program will align with Ohio's Early Learning and Development Standards and the Archdiocese of Cincinnati Graded Courses of Study.

Birthdays are an important milestone for our preschool students. Talk to your child's teacher in advance about sending in a birthday treat. Be considerate of students that may have food allergies or food restrictions. Summer birthdays will be celebrated in the month of May.

## TOILET TRAINING

---

All students enrolled in any of the preschool programs must be fully toilet trained. Children are required to use the restroom independently and **without** adult assistance. We understand that accidents will occur and it is a natural step toward independence. Children wearing "pull ups" are not considered toilet trained. Please dress your child in clothing that he/she can take on or off without assistance. We suggest elastic waist bands for pants and shorts. Zippers, snaps, and buttons are more difficult at this age. Please remember to have an extra change of clothing (underwear included) in your child's school bag in case of an accident.

**Accident Policy: Parents will be notified of bathroom accidents on the day it occurs.** Any child that has three or more accidents in two weeks time (ten school days) will be asked to stay home to work on toilet training. The classroom teacher, parents and preschool director will discuss and work together to determine when the student is ready to return to school. If there is a medical reason for bathroom accidents a medical note from the child's pediatrician must be presented to the preschool director and school nurse as soon as possible.

## DRESS CODE

---

Preschool students do not wear school uniforms. We ask that they wear comfortable play clothing and gym shoes with velcro closures that work best for our activities. Shorts and pants should allow for the child to use the restroom independently. Keep in mind we will be hard at work exploring and investigating our world, your child will get messy! Each child will need an extra set of clothes to keep in their canvas bag in case of accidents or spills. The items should include a shirt, shorts or pants, underwear, and socks. Make sure items are marked with your child's name and placed in a plastic ziploc bag. Check these items frequently to make sure items are seasonally appropriate and are the correct size. Preschoolers grow fast!

## SNACK & LUNCH

---

At Our Lady of the Visitation preschool, healthy habits are important and this includes snacks and lunches. A Midday snack will be provided for your child.

Children that stay for the full day program will need to pack a lunch. Hot lunch will not be available for preschool children. An insulated lunch bag and cooler pack will keep items cold until lunch. Milk

may be purchased. Thirsty cards are available through the school cafeteria for \$10.00 which is 20 milks. You will be notified when your child is running low.

\* Remember to put your child's name on the lunch bag.

The Ohio State Licensing Department requires lunches be of a certain nutritional value. They should include items from each food group. Drinks must be 100% juice or milk. Please make sure if your child has any food allergies we are notified so we can accommodate their needs.

## COVID ACKNOWLEDGEMENT

---

We, the undersigned parent(s) and student, acknowledge and agree that, as a student at Our Lady of the Visitation School and as parent(s) of that student, entering in the school or being on the premises, having personal contact with teachers, classmates, and other Our Lady of the Visitation School staff, involves a certain degree of risk, namely of parent(s) and/or student acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the close proximity of students, teachers, and staff at [School], there is an elevated risk of student contracting the disease simply by being in the building, on the premises, or at any Our Lady of the Visitation School function. The same is true for the parent(s) of a student at Our Lady of the Visitation School.

By signing this Handbook digitally, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any healthcare professional(s) of our choosing, we voluntarily and willingly accept those risks and acknowledge that returning to in-person classes and other in-person Our Lady of the Visitation School functions is the choice of each family, including ours. If student or parent(s) who visit Our Lady of the Visitation School have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a health care professional before student or parent(s) return to Our Lady of the Visitation School,

attend any Our Lady of the Visitation School function, or visit Our Lady of the Visitation School. Moreover, we acknowledge that while adherence to safety and precautionary measures (e.g., social distancing guidelines, facemasks, handwashing, etc.) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and death remains. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s) while at Our Lady of the Visitation School or any Our Lady of the Visitation School function, including possible infection with COVID-19.

We further acknowledge, understand, and agree that we have obligations to the school and parish, its employees/staff members, students, and others to take certain precautions and make certain disclosures to prevent the spread of COVID-19 as outlined by the State of Ohio and the applicable local public health department.
