INTRODUCTION

WELCOME!

Therefore welcome one another as Christ has welcomed you, for the glory of God.

- Romans 15:7

We're so glad you're here! Our Lady of the Visitation School is blessed with an excellent faculty and staff who take great pride in their vocations as Catholic school teachers and educators. Our teachers know each child's individual strengths and interests, and seek ways to inspire and challenge our students from preschool through eighth grade. With home and school working cooperatively, we can help our students become the best versions of themselves.

This handbook was developed to serve as a resource for you to know and understand better the policies, guidelines and informational items relating to our school. The following policies and procedures were instituted to provide the students of Our Lady of the Visitation School with a safe and comfortable Catholic environment in which to receive a quality education. These policies and procedures are in accordance with the policies of the Archdiocese of Cincinnati. As with all policies and procedures, the school administration reserves the right to make the final judgment in any situation. All decisions will be made with the best interest of everyone involved. If you have any questions, please contact us. We welcome your questions and comments.

Holly M. Aug, Principal

ADMINISTRATION

Fr. Don Siciliano, Pastor
 Mrs. Leslee House, Business Manager
 Mrs. Holly M. Aug, Principal
 Mrs. Leah Cook, Assistant Principal
 Mrs. Jane McDonald, Preschool Director
 Mrs. Lynn Heckman, Office Administrator
 Mrs. Erin Becker, Development/Office Administrator
 Mrs. Stefanie Audette, Director of Religious Education

ACCREDITATION

Our Lady of the Visitation School is fully accredited with the Ohio Catholic School Accrediting Association (OCSAA) and follows the Course of Study as outlined by the Archdiocese of Cincinnati.

MISSION & BELIEFS STATEMENT

Our Lady of the Visitation School is a diocesan Roman Catholic School operated by the parish of Our Lady of the Visitation Parish. Taking as our motto, “There are different gifts, but the same Spirit,” we strive to create a mutually respectful and compassionate Catholic community in which each individual’s talents are recognized and nourished and seen as significant to the building of the Kingdom. We are dedicated to providing a well-rounded quality education in a value-centered environment. Through academics, prayer and worship, the staff and families of Our Lady of the Visitation School work to impart to our children the Catholic traditions and faith, and to live the Gospel message of Jesus Christ by serving the church and the broader community.

We believe that each student is a valued individual with unique physical, social, emotional and intellectual needs. We believe that children can learn in different ways and that a variety of instructional approaches should be used in a safe and comfortable environment to support all students’ learning types. We believe that education empowers children to be aware of their abilities, goodness, dignity, talents and spirituality, and to use these gifts to serve God and the broader community.

Our Lady of the Visitation School is a parish elementary school, operated, supported, and directed as part of the parish sponsored educational program, pursuant to the policies of the Archdiocesan and Area Commission on Education. Our Lady of the Visitation School is an elementary school offering preschool -8th grade.

In accordance with Catholic principles, Our Lady of the Visitation parish school admits students of any gender, race, color, national and ethnic origin to all rights and privileges, programs and activities generally accorded or made available to students at the parish school. It does not discriminate on the basis of gender, race, color, national or ethnic origin in administration of educational policies, admission policies, and other school-administered programs. Our school does not provide programs to assist all students with disabilities and will, therefore, not be able to accept all students with disabilities.

SCHOOL HISTORY

Our Lady of the Visitation Parish was formed in 1946, and three years later plans for a school began. In 1950, 140 students entered the building with six classrooms, a teacher’s room, and a multipurpose room. In 1955, the first addition to the school was built with four additional classrooms and a basement. A new church was built in 1959, also with classrooms in the basement. Still a growing parish, the school was expanded again in 1967 to add eight more classrooms, a kitchen, and a large multipurpose room. The school remained the same for 24 years when plans were made to expand yet again. These plans included music, art, and computer classrooms, along with a new auditorium with a stage and bleachers. The junior high wing was built in 1997 with eight more classrooms, a nurse’s office, and the main office and the pavilion was added in 1998. In 2018, the church was expanded and now includes Preschool and Kindergarten classrooms.

STUDENT BEHAVIOR

CURRICULUM / EXPECTATIONS

Academic excellence is Our Lady of the Visitation School's commitment to all of its students. Student learning is the focus of Visitation's curriculum, which is outlined in the Graded Course of Study for the Archdiocese of Cincinnati. High expectations are the standard, and Visitation students excel within the classroom and outside of the classroom in all curricular areas.

Our Lady of the Visitation School's academic program gets results because it is focused on learning! Administration and faculty believe that all students can learn and are committed to differentiating instruction to achieve that goal. An extensive auxiliary support staff provides academic enrichment, remediation, and psychological services. As partners in education, parents willingly and actively participate in the school's academic mission.

Supporting students' development of a dynamic faith that expresses itself in love of God and service to others is at the heart of Our Lady of the Visitation School's mission. At Visitation, the administration, faculty, and parents believe that education awakens a sense of a global world wherein students can experience God actively working in their lives. This belief is embedded in the culture of the school. The religion curriculum includes a blend of tradition, self-expression, prayer, faith, doctrine, and service rooted in the gospel message. All grade levels participate in service and mission projects throughout the school year.

In mathematics, the school recognizes the importance of blending the acquisition of basic skills and number sense with synthesis, data analysis, estimation, geometry, and problem solving. There is an emphasis on higher level thinking, especially algebraic reasoning, in all grades.

In science and social studies, the curriculum is topic-based with emphasis on knowledge and inquiry. Having students actively involved in the learning leads to higher levels of understanding. Students explore the scientific method, designing and implementing experiments to show scientific knowledge. The school's campus has land labs, which include a nature trail, and a turtle inhabited courtyard that provides students with real-life experiences with science. Balanced literacy defines the reading and language arts program in the primary grades. Students engage daily in instruction on vocabulary, comprehension, fluency, phonics, and phonemic awareness. Through exposure to many different types of texts, students grow in their abilities to apply reading strategies. Teachers use small groups to reach students at their reading levels to provide more individualized instruction to help improve reading and writing skills.

As students move into the middle grades, they are exposed to high quality literature from a variety of genres, as they learn to think creatively and to analyze, synthesize, and critique literature. Literature is often integrated with the content areas and the use of technology. Students actively participate in projects, discussions, and writing activities related to their reading to promote critical thinking skills. In language arts, the curricular focus is on the writing process, with the mechanics of grammar and spelling providing a solid foundation.

Without the arts, Our Lady of the Visitation School's mission of providing a high quality education while developing the "different gifts" of the whole child would be incomplete. The essential skills and knowledge that students attain as they explore creative self-expression through art, music, and the imaginative use of technology opens their minds to understand the world, while allowing

students to further discover their artistic and musical strengths. Technology is woven into every subject across grade levels, challenging students to use tools such as databases, word processing, internet research, spreadsheets, and movie-making software to explore, explain, and present their diverse thinking and research.

Our school is highly devoted to preparing students for learning and working in the 21st century. Grades K-3 have touchscreen devices, while grades four through eight have one to one Chromebook to help enrich learning through the use of technology. Visitation is focused on incorporating technology into the instructional process to encourage problem-solving, critical thinking, and global learning to provide students with necessary tools for the future.

Parents choose to send their children to Our Lady of the Visitation School. When asked why, parents consistently praise the school's ability to meet the needs of their children both spiritually and academically. Educating the whole child, in a mutually respectful compassionate environment with high academic standards, is what Visitation is all about. Many families have celebrated two and three generations of education at Visitation, and even with a growing student body and over 80 faculty and staff, Visitation maintains the feeling and reputation of a nurturing parish family community.

Accelerated Curriculum: At times, there may be accelerated, advanced, STEM or Enrichment courses offered to students. Due to the high achieving nature of these courses and our highly successful Visitation community, placement of students will be based heavily on standardized test scores and includes student achievement and teacher recommendation. . The sources of the data could include Iowa, CogAT, Aimsweb and/ or teacher recommendation scores. The data will determine who is eligible for an accelerated curriculum. It is not based on student / parent requests.

PROMOTION & RETENTION

A child CAN be retained for lack of work/participation/engagement during a learning time. The principal has final say on all promotion and retention decisions. Generally in grades K-3 a student will be promoted if he/she has made satisfactory progress in language arts and math and has given evidence of adequate social development. In grades 4-8 a student who receives two F's in a subject must do make-up work over the summer as determined by the principal in order to be promoted. Up to two subjects may be assigned make-up work. A student who receives F's in more than two subjects may not be promoted.

END OF YEAR CEREMONY, GRADE 8

A student entering the eighth grade has the right to know the following policy will determine whether or not he/she participates in the end of year ceremony. This ceremony is a privilege, not a right of the students.

1. Any student who received two F's in any subject must:
 - a. attend summer school or
 - b. be tutored for a specific time as determined by the principal
 - c. complete assigned work in a manner satisfactory to the principal.
2. Agreement must be reached between the parents and the principal prior to the last day of school.
3. Proof must be provided that the student is enrolled in summer school, that a tutor has been engaged, or the work has been assigned.
4. Unless the above procedures have been followed, a student shall be barred from participating in the end of the year ceremony and the highschool of the student's choice will be informed that he/she in fact did not complete all course work at Our Lady of the Visitation School.
5. After the above procedures have been followed, a student may participate in the end of year ceremony but will not receive a signed certificate until the assigned work has been completed.
6. A student who has poor behavior throughout the year may not be invited to participate in the end of year ceremony.

The end of year festivities are privileges, not the rights of students. If an 8th grader shows poor decision making, they may not be allowed to participate in the graduation ceremony or reception.

In addition, any student not following the dress code for the graduation mass, will not be allowed to attend the mass or the reception. See guidelines for the End of Year Ceremony dress code.

BEHAVIOR POLICY

- A. It is the responsibility of the school administration, along with the faculty, to provide and maintain an atmosphere conducive to the attainment of excellence in educational and moral values. When a student by attitude or actions disrupts this atmosphere, he/she will be subject to disciplinary action up to and including dismissal. Parents will be kept informed as appropriate. A family can also be asked to leave the school based on the actions of a parent.
- B. All staff members are responsible for administering discipline at Our Lady of Visitation School. Final decisions regarding discipline rest with the principal with ultimate recourse to the Pastor in cases of suspension. Expulsion may be appealed by the parents in writing to the Archdiocese Superintendent of Schools, within 15 days of the expulsion.
- C. Discipline Options
 1. The teacher will speak with the individual student as problems arise. A warning does not have to be given by a teacher for a consequence to occur.
 2. Suitable (non-corporal) punishment may be administered by the teacher.
A demerit may be issued. Three accumulated demerits will result in a detention.
 3. Students may be referred to the administration for discipline at his or her discretion.

4. The teacher may give the student a demerit which is a written notification to the parents of misconduct.
5. Detention may be given for serious or repeated offenses. Parents must sign the written notification of the detention. Even if a parent refuses to sign a detention, the detention still goes on school record.
6. In some cases of serious or repeated offenses he/she will be referred to the Disciplinary Board for appropriate action.

D. The Disciplinary Board- acts as an advisory committee to administration in matters of discipline

1. Consists of an administrator s) at least one teacher directly involved with the student, and any support staff as appropriate (psychologist, nurse, etc)
2. Function
 - a. To work with students who have serious academic or discipline problems; to review any cases of a serious nature referred to by the administration or a faculty member; to investigate and recommend a solution for the student referred.
 - b. If a student accumulates 2 detentions during one trimester of the school year, the case is automatically referred to the Disciplinary Board for review and recommendations regarding the suitable disciplinary step to be taken.
 - c. The categories of discipline that the board may take are as follows:
1. Official Disciplinary Warning - A warning is given to students who have set a pattern of misbehavior through minor offenses. The purpose of the warning is to alert both the student and his/her parents that if matters continue, the student will end up in serious disciplinary straits.
2. Disciplinary Probation - Probation is a warning for students and parents that suspension or expulsion of the offending student is imminent unless there is substantial and immediate improvement in the student's conduct.
3. Suspension - Suspension means that the student is denied the privilege of attending classes and extracurricular activities the length of time designated. The student and parents are notified in writing as to the nature of the violation and punishment. Prolonged and/or excessive violations of a serious nature could result in being liable to expulsion. Immediately after the suspensions, parents may be required to pay the cost of a teacher/monitor to get the child caught up from the suspension. Any student suspended may be required to undergo counseling before being permitted to return to school.
4. Expulsion - The student is removed from school and is not admitted back to classes under any circumstances. Students may be expelled for the following reasons:
 - a. Continued class or school disruption.
 - b. Disrespect/defiance.
 - c. Fighting.
 - d. Smoking, possession or use of tobacco or tobacco products, Juuls, vaping, drugs or alcohol.
 - e. Insubordination - The failure to respond or carry out a reasonable request by school personnel.
 - f. Lack of responsibility - The consistent failure to submit school assignments or requirements, i.e. tending to obstinacy.
 - g. Loitering - the act of being on school property at unauthorized times, or in a restricted area of the school building.

- h. Obscenity - The act of using obscene or profane language in verbal or written form or in pictures or obscene gestures on any school premise.
- i. Stealing - The act of taking or acquiring the property of others without their consent.
- j. Truancy and tardiness - The act of unauthorized absence or lateness which is repeated for a considerable length of time.
- k. Threatening or intimidating acts - The act of verbally, writing or by gesture threatening the well-being of any person on school property.
- l. Vandalism - The act of willful destruction of property belonging to others.
- m. Possession or use of dangerous weapons.
- n. Other offenses deemed dangerous, inappropriate, against Catholic teachings, immoral, etc.

Discipline/Expulsion will not necessarily be limited to the above mentioned examples. The dismissal may be immediate based on the nature of behavior. Students expelled or asked to leave school may not return to Visitation.

- E. Search - Desks and lockers are the property of the school and may be searched. If the principal has reasonable grounds for suspecting that a search will turn up evidence that the student has violated or is violating the law or rules of the school, he/she may initiate a student search. This includes backpacks, purses or other personal belongings.
- F. Offenses Each student is responsible for displaying the qualities of good Catholic citizenship. Students should show their best conduct in the halls, in the cafeteria, on the playground, in the classroom, on field trips, at school sponsored events or when traveling to or from school. Students can be held accountable for their actions that occur outside of school time and outside school premises. They can be held accountable for activities that affect the reputation or the atmosphere of the school. Behaviors that can result in disciplinary action include (but are not limited to):
 - 1. Physical contact with another student that is violent or disrespectful
 - 2. Misbehavior or interruptions during class, liturgies, assemblies, field trips, etc.
 - 3. Deliberate disobedience or defiance to an adult
 - 4. Verbal or non-verbal disrespect
 - 5. Improper, inappropriate or offensive language
 - 6. Damaging property
 - 7. Cheating
 - 8. Fighting
 - 9. Lying or lack of truth
 - 10. Chewing gum
 - 11. Not following the uniform code
 - 12. Talking back to a teacher inappropriately
 - 13. Harassment of any type
 - 14. Inappropriate use of technology

BEHAVIOR MANAGEMENT

Behavior demerits and assignment demerits will be tracked separately. Students receive a clean slate each trimester for **assignment demerits**. Behavior demerits will be an **ongoing count** throughout the year.

Primary assignments are tracked differently than grades 4-8.

Grades 4-8

Assignment demerits (clean slate at the beginning of each trimester):

3 assignment demerits = 1 detention

5 assignment demerits = 1 detention

7 assignment demerits = Disciplinary Board Meeting to determine course of action and 1 day of home suspension on a day of the school's choosing.

Behavior demerits (ongoing count throughout the year):

3 behavior demerits = 1 detention

5 behavior demerits = 1 detention

7 behavior demerits = 1 day of at home suspension on a day of the school's choosing, meeting with teachers, parent, child and administrator before the child returns to school.

8 behavior demerits = 2 days of home suspension on a day of school's choosing

*1 Detention is the same as 3 behavior demerits. 2 detentions is the same as 6 demerits and so on...

If a student is having an especially difficult time, they may be sent home immediately to provide time to regroup and restart.

Whatever trimester the detention was issued is the trimester they are off honor roll.

Suspensions: Students will have to check online planner/Google Classroom. Teachers do not have to reteach any lessons for that child.

Suspensions and Expulsions become part of a child's permanent record.

BULLYING / HARASSMENT / INTIMIDATION

DEFINITION - Bullying occurs when an individual or a group of individuals exhibits a persistent pattern of aggressive, intentional behaviors, or a one-time behavior that causes mental or physical discomfort to another. Bullying can be physical, verbal, electronic, written or a combination of these that creates an intimidating, threatening, or abusive educational environment. Bullying includes social exclusion or isolation, spreading lies or false rumors, having things taken or damaged, extortion, racial or sexual intimidation. This includes violence within dating relationships. There is typically an imbalance of power involved in a bullying situation, either in age, size or perceived status between the bully and the victim(s). An electronic act means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device. Bullying can include: physical violence and/or attacks, threats, taunts, intimidation, extortion, damage or stealing of money/possessions, exclusion from peer groups or spreading rumors, repetitive or hostile behavior with intent to harm through use of information and communication technologies, posting slurs, sending abusive messages

It is the policy of Our Lady of the Visitation that any form of harassment, intimidation or bullying, regardless of where, how, or when it takes place is expressly forbidden. This includes any form of social media. Any student found to have engaged in harassment, intimidation, or bullying is subject to all disciplinary actions, including suspension and expulsion. Any student who misrepresents a situation, falsely accuses a child, extends the truth or is not completely honest is open to any consequences as determined by school administration.

In evaluating whether conduct constitutes harassment, intimidation or bullying, special attention should be paid to the words chosen and the actions taken, whether such conduct occurred in front of others or was communicated to others, how the offender interacted with the victim, the motivation, either admitted or inferred. Accordingly, what may constitute harassment, intimidation, or bullying in one circumstance might not constitute such in another. As in all disciplinary matters, the School will make this determination utilizing its sole and absolute educational discretion and judgment. The School's internet and computer system may not be used to engage in harassment, intimidation or bullying. All students and parents are asked to sign the Technology Agreement at the beginning of each school year. The school reserves the right to impose discipline for harassing, intimidating, bullying or other inappropriate behavior that takes place off school grounds and outside school hours.

Reporting: If a student or parent feels they are the victim of bullying, they should contact the most relevant teacher or staff member. A staff member/bus driver could also begin this process. This can be done through email, phone call or an in person meeting. All teachers have a personal extension. In extreme cases, a parent may choose to contact the principal or assistant principal. The teacher/staff member or administrator will investigate the situation. If a second incident occurs the principal and/or psychologist will get involved to develop a written plan of intervention with the "bully" and their parents. Parents/guardians of any student engaged in harassment, bullying or intimidation will be contacted accordingly.

Any staff member who receives a complaint will document the complaint, attempt to resolve it and then pass it to the principal, who will then act on it further, or keep it filed in the office. If your child is the victim, a staff member should contact you. Written complaints will be kept on file.

SCHOOL POLICIES

ADMISSION

Our Lady of the Visitation School admits students of any race, color, and national ethnic origin. We do our best to accommodate students so that all needs may be met. However, if the needs become beyond our scope, we may recommend that Our Lady of the Visitation School is not the best fit for your child.

Admission Policies (assuming all deadlines for registration have been met).

A. Organization

1. Our Lady of the Visitation is a Catholic parish elementary school, operated, supported, and directed as part of this parish sponsored educational program, pursuant to the policies of the Archdiocesan and Area Commissions on Education.
2. Our Lady of the Visitation School is established to primarily serve the parishioners of Our Lady of the Visitation Parish.

B. General Admission Policy

1. Our Lady of the Visitation admits students of any race, color, and national or ethnic origin.
2. It is understood that the child seeking admission to OLV School must be capable of benefiting from the academic program offered. Some students with great academic/behavioral issues may not be able to be served at Visitation.
3. Classroom limitations: The maximum number of classes which can be accommodated will be determined by the administration in conjunction with the Education Commission. Class sizes are capped at different levels depending on the age. Preschool is 20, Kindergarten is 24, 1st thru 3rd grades are 26 and 4th thru 8th are 28. These changes were updated in the 2021-2022 school year so some classes may be over this amount because they are grandfathered into account.
4. Our Lady of the Visitation School may refuse admission or terminate enrollment if false, inaccurate or incomplete information is provided to the school. Our goal is always to meet the needs of students. If Visitation school is unable to meet the needs of a student, admission may be denied.

C. Admission Requirement

1. Age Requirements - Kindergarten

All underage admissions are to be made on a trial basis, with a written statement to that effect signed by the parents. Failure to make satisfactory adjustment will constitute grounds for the removal of the underage child from the first grade program.

Kindergarten students must turn 5 by Sept. 30 of their first year in kindergarten.

2. Our Lady of the Visitation School requires a birth certificate and baptismal certificate, if applicable, upon registration.

D. Admission Priorities

1. Children of participating parishioners, who have siblings already enrolled at Our Lady of the Visitation School in grades K-8.
2. Children of participating parishioners, whose older children already attended Our Lady of the Visitation School.
3. The first child of a participating parishioner.

4. Participating member of another Divine Mercy Parish.
5. Participating member of another Catholic Parish.
6. The above being equal, the participating family which has been registered in the parish the longest will prevail.

Definition of Participating Parishioner: A participating parishioner is one who participates in the faith life of our parish. This is demonstrated through weekly Mass attendance, participation in the community life of our parish by volunteering time and talents in ministries and organizations, and as able financially to support the parish on a regular, ongoing basis through Sunday donations, in addition to staying current on tuition.

E. Waiting List for Grades

For each school year, a waiting list will be established following above admission priorities.

When a student who registers is placed on a waiting list for a grade, given a number and priority status, that student retains that status notwithstanding the admission priorities listed above.

Waiting lists are only active for one school year.

The administration of the school has the right to amend policies and procedures in this handbook. These changes will be communicated in the weekly Wednesday newsletter.

UNIFORM DRESS CODE

PRESCHOOL

Preschoolers do not wear uniforms. Their activities can be messy (paint, PlayDoh, chocolate milk, etc.) They should wear washable, comfortable clothes with gym shoes. We recommend pull up pants/shirts. Snaps/buttons and belts are very difficult for preschoolers. Shoes that don't tie are also recommended. A change of clothes should be kept in the child's backpack. Backpacks should be large enough to hold a folder.

K-8 GIRLS

Jumpers/Skirts

Grades K-4 wear the adopted jumper of Our Lady of the Visitation School.

Grades 5-8 wear the adopted uniform skirt of Our Lady of the Visitation School. Skirt length must be within 4 inches of the middle of the knee. Jumpers and skirts may be purchased at [Schoolbelles](#) or [Shaheen's](#). Skirts are not to be rolled up at the waist.

Shirts

Plain, short/long sleeved white or light blue polos. All shirts are to be tucked in unless there is a waistband. Visitation polo shirts may be purchased through our Spirit Wear Shop. If a shirt is worn under the uniform polo, it must be plain white; no printing. All undergarments for shirts must be plain white.

Sweaters/Sweatshirts

Solid color cardigans, crewneck or V-neck sweaters of white, cream, gray or navy may be worn over a uniform shirt. White turtlenecks or solid white shirts may be worn under shirts. Sweatshirts, oversized sweaters, tight sweaters, etc. are not permitted. Only the official school attire (quarter

zip or crew neck sweatshirts) purchased through our Spirit Wear Shop may be worn in place of a sweater. (Other spirit wear is not part of the uniform and should not be worn in class.) No Hoodies. A polo must be worn underneath all quarter zips, sweatshirts and sweaters.

Pants

Chino style pants in navy blue may be worn in place of the jumper or skirt. Shirts tucked in. Pants or knit pants may be worn under the jumper or skirt. No cargo pants or joggers.

Socks/Tights

Solid color socks must be worn everyday. Socks must show. Navy or black tights may be worn under the skirt or jumper in cold weather. Leggings or knit pants must go to the ankle and not include lace, cutouts, sheer material or other decorative aspects.

Shoes

Gym shoes or dress shoes may be worn. No sandals, clogs, crocs or shoes that mark the floor are permitted. Shoes must be tied. If boots are worn for weather purposes, the student must change into regular shoes for the school day.

Personal

No make up is to be worn unless worn for medicinal purposes. A note from the parents/physician will be required. This applies to Out of Uniform days as well.

Hair

Hair should be clean and neatly cut. Hair must be natural colors only. There should be no distracting hairstyles (mohawks, shaved emblems, or letters, spiked high hair, extreme hairspray, etc). The principal reserves the right to determine appropriate hairstyle. Hair must always be out and away from the face. Eyes must be visible at all times, without having to push the hair back.

Nail Polish

Girls may wear a single color nail polish of non distracting colors (no black, fluorescent, etc) on a natural nail. There are to be no designs, no add-ons, no fake nails, etc.) Final determination will be made by the principal.

Jewelry

No earrings unless ears are pierced. One single small post earring allowed in each ear only. Students may not wear earrings, posts, decorations, etc. in pierced body parts (fingernails, nose, lip, etc.), while at school. One small, loose fitting non distracting thin necklace is allowed. One simple ring may be worn. No thick chains, spiked necklaces, ties around neck, chokers, etc. This applies to Out of Uniform days as well. One bracelet that does not make noise (i.e. clanging on desk) may be worn. Boys may not wear earrings.

Watches

A regular watch may be worn. **NO SMART WATCHES or watches with Smart capabilities.**

K-8 BOYS

Shirts

Plain, short/long sleeved white or light blue polos. Shirts are to be tucked in. Visitation polo shirts may be purchased through our Spirit Wear Shop. If a shirt is worn under the uniform shirt, it must be plain white; no printing.

Pants

Chino style pants in navy blue. No jeans, cargo pants, or joggers.

Sweaters/Sweatshirts

Solid color cardigans, crewneck or V-neck sweaters of white, cream, gray or navy may be worn over a uniform shirt. White turtlenecks or solid white shirts may be worn under shirts. Sweatshirts, oversized sweaters, tight sweaters, etc. are not permitted. Only the official school attire (quarter zip or crew neck sweatshirts) purchased through our Spirit Wear Shop may be worn in place of a sweater. (Other spirit wear is not part of the uniform and should not be worn in class.) No Hoodies. A polo must be worn underneath all quarter zips, sweatshirts and sweaters.

Socks

Solid colored socks must be worn everyday. Socks must show.

Shoes

Gym shoes or dress shoes may be worn. No sandals, clogs, crocs or shoes that mark the floor are permitted. Shoes must have a back and be tied. NO boots. If a child wears boots to school for weather purposes they must change them when they get to school.

Personal

Boys may not wear earrings to school.

Hair

Hair should be clean and neatly cut. Hair must be natural colors only. There should be no distracting hairstyles (mohawks, shaved emblems, or letters, spiked high hair, extreme hairspray, etc). The principal reserves the right to determine appropriate hairstyle. Hair must always be out and away from the face. Eyes must be visible at all times, without having to push the hair back.

ALL

Watches

A regular watch may be worn. **NO SMART WATCHES OR FITBITS** or similar items that contain communication apps/etc.

Markings on Body

Students are not allowed to have tattoos. In addition, students are not to write, draw, or color on their skin for any reason.

*Principal reserves the right to determine appropriate dress and/or modify the code as needed.

WARM WEATHER DRESS CODE

From the first day of school until October 15th, and from April 15th until the last day of school, students may substitute the warm weather uniform for the regular uniform. These dates may be extended by the principal depending on the weather.

K-8 GIRLS

Plain, navy Bermuda length shorts or navy skort “above the knee length”. Shorts must reach within 4 inches of the knee. Wear with a plain, short sleeved white or light blue polo.

K-8 BOYS

Plain, navy Bermuda length dress walking shorts with a plain, short sleeved white or light blue polo. Shorts must be an appropriate length, within 4 inches of the knee.

All other rules regarding socks, shoes, personal, etc. still apply. Shorts may not be layered, that is, no other shorts, pants, etc. may show below the regulation shorts.

OUT OF UNIFORM DRESS CODE

Some out of uniform days are announced as a special “theme” e.g. funny hat, Visi colors. Otherwise, the students will hear “all usual out of uniform rules apply.” This means clothing must be neat, clean and modest and school appropriate. Shorts must be an appropriate length and worn only during warm weather uniform time. All shirts must have sleeves. No cutoffs. No peephole or cold shoulder shirts. No midriffs or cutouts. In grades 5-8 there should be no leggings or skinny jeans or tight fighting clothing worn. No pajama pants. Modesty is what we want for out of uniform days. No cleavage. If students come dressed inappropriately or not following guidelines they will be asked to call home for a change of clothes. A child may be given items from the nurse to wear if they come dressed inappropriately or may be sent home. Students will not return to class unless dressed appropriately. No heeley’s or extravagant shoes. All attire is to be conservative.

SPECIAL OCCASIONS DRESS CODE

FIRST HOLY COMMUNION

Girls

White dresses, veil or wreath, white socks or tights, dress shoes or sandals.

Boys

White long sleeve shirt, navy or black dress slacks, tie, dress shoes.

CONFIRMATION

Girls

Appropriate modest dresses suitable for a liturgical celebration in church. Dresses should have sleeves. Shoulders and backs must be completely covered. Dress length should be between the end of the candidates fingertip and the knee. No midriffs or cut-outs. NO spaghetti straps, sleeveless, halters, one strap, backless or low cut dresses allowed. Stilettos or narrow heels are not to be worn. Heels should be no more than 3 inches in height and should be wider or wedge type heels. Under no

circumstances, should a low cut dress be worn. Modesty is the key word in choosing your dress. Simple makeup and jewelry may be worn.

Boys

Any button down collared shirt with tie and nice pants, no jackets or suit coats. Dress shoes.

*Students not following dress code may not be permitted to participate in the occasion.

GRADE 8 CELEBRATION AND 8TH GRADE MOTHERS BREAKFAST

Girls

Appropriate modest dresses suitable for a liturgical celebration in church. Dresses should have sleeves. Shoulders and backs must be completely covered. Dress length should be between the end of the candidates fingertip and the knee. No midriffs or cut-outs. NO spaghetti straps, sleeveless, halters, one strap, backless or low cut dresses allowed. Stilettos or narrow high heels are not to be worn. Heels should be no more than 3 inches in height and should be wider or wedge type heels. Under no circumstances, should a low cut dress be worn. Modest is the key word in choosing your dress. Simple makeup and jewelry may be worn.

Boys

Slacks, shirt and tie with optional sport coat. Dress shoes.

All

Students are permitted and encouraged to wear the same outfit for both occasions. No outlandish outfits with cartoons, themes, Hawaiian, sports, writing, etc. No hats, sunglasses, or canes (unless medically required). No gum. If students are not dressed appropriately following the guidelines they may be asked to cover up with a cardigan or shawl provided by the school or asked to change. Students not dressed appropriately may not be allowed to participate.

GYM UNIFORM

Grades 5-8

- Plain white T-Shirt or Visitation T-Shirt.
- Shorts with an elastic waistband. No belt loops, buttons, zippers, or snaps.
- Socks.
- Gym shoes.
- It is recommended that students use a drawstring bag to carry gym clothes and place their t-shirt and a travel size deodorant in it.
- A four minute period at the beginning and close of each physical education class will be allowed for changing clothes

HOMEWORK

Homework is an extension of what students are learning in class. When it is assigned, it is intended to supplement classroom learning and deepen a student's understanding of the material. The amount of written homework will be determined in accordance with the student's age and ability. Studying is often based on a child's individual needs. Generally, written assignments should stay within the following time frame:

- Kindergarten: 20 minutes
- Grades 1-3: 30 minutes
- Grades 4-6: 60 minutes
- Grades 7-8: 90 minutes

ONLINE GRADES

For grades 4 - 8, the teachers of Reading/Literature, English, Math, Social Studies, Science and Religion post student grades online using the Rediker system. Access information will be set early in the year. Access problems should be reported to Rediker@olvisitation.org. Parents are expected to monitor grades.

GRADING SCALE

The grading minimum for each letter grade for grades 4 - 8 is as follows:

- 97.5 A+
- 94.5 A
- 92.5 A-
- 89.5 B+
- 86.5 B
- 84.5 B-
- 81.5 C+
- 78.5 C
- 76.5 C-
- 73.5 D+
- 71.5 D
- 69.5 D-
- Below 69.5 = F

REPORT CARDS & GRADES

Report cards are posted in Rediker three times a year. Paper copies are sent home for final report cards only. Parents are expected to check online grades through the Rediker system. When checking grades, please be sure to look for comments and missing assignments. Students in grades K-3 will have a standards based report card.

HONOR ROLL

Honor Roll extends to students in grades 5-8. Subjects are: Religion, Reading/Literature, English, Mathematics, Science, Health and Social Studies and a grade of B- or better in art, music and physical education. First Honors: All A's with a maximum of 1 B plus no detentions. Second Honors: All A's with a maximum of 2 B's, no detentions. Third Honors: All A's with a maximum of 3 B's, no detentions. Honorable Mention: All B's or any combination of A's and B's that does not meet eligibility for 1st, 2nd or 3rd Honors, plus no detentions.

TEXTBOOKS

Proper care must be taken of all books, that is, they must be covered at all times and carried to and from school in bags of some durable material. Retribution must be made for any damage done by a student.

FORGOTTEN ITEMS

We do not deliver forgotten items to students, e.g. homework, books during the school day. Your child needs to accept and learn the responsibility of completing and packing their homework. If an assignment affects the learning/success of others in the classroom, it may be delivered (i.e. a group presentation, band instrument). The only exceptions are eyeglasses and medication. The goal is for students to learn how to handle adversity. There is food in the cafeteria for anyone who forgets their lunch.

If items are forgotten for an after school activity (ex. cleats for soccer) a student may check at the end of the day for that item. The office can not guarantee these extracurricular items will be delivered. Lunches will be delivered to those with food related medical issues or sensitivities. The child will be responsible for checking at the office for their lunch. Parents are not allowed to "sneak" in the cafeteria to deliver lunch unless they are working. Your child will survive on food we have here at school. Your child can always get a lunch whether or not they have cash or a ticket. We have a "charge" system.

We understand that when a student forgets an item, he/she might experience some distress. However, a situation like this teaches a life long skill in coping. We are professionals trained to help students work through his/her distress and to move on through his/her day.

CHILD CUSTODY

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. Communication: Our school policy is that if the school initiates contact, both parents will receive the communication if they are signed up on Rediker. If a parent initiates a contact, then the staff will only respond to that parent. Meetings will be handled in the same way. Only biological or adoptive parents will attend meetings unless permission is given by both parents for another adult to attend.

FIELD TRIPS

Field trips that have been planned by any teacher are an important part of a child's instruction in a particular area of knowledge or experience. Although individual classes will be making these trips throughout the year, no child may attend unless a permission slip has been signed by the parents and returned to the teacher. Permission slips will be provided by the school. Students with behavior issues may be held back from field trips. Field trips are a privilege not a right. This includes special days such as Walk a Thon, Field Day, Catholic Schools Week activities. Poor behavior may warrant a child being withheld from a field trip.

FIELD DAY

Field Day is a reward day for those students who have had good behavior and regular completion of homework throughout the year. Students may be asked to refrain from field day if they have poor behavior or do not complete work.

Field Day is meant to be a community building event in which homerooms compete against one another in fun filled games. Please do not allow any sleepovers the night prior to field day. Students get sick, overheated and are cranky due to lack of sleep. It also makes others feel excluded and left out when they see groups arriving at school that day. In addition, students should wear their Walk a Thon t-shirt. No paint, glue, cuts, or signs on the t-shirts. No face paint, horns, or noisemakers are allowed on this day.

LOST & FOUND

Lost Articles are kept on a shelf and hooks outside of the Auditorium so that children can claim them. We highly recommend that each child's belongings be marked with his or her name in permanent marker. Items still in the Lost and Found at the end of the school year will be donated to charity.

RESPONSIBLE USE OF TECHNOLOGY

- All students and parents must sign the technology contract and the Archdiocesan Responsible Use of Technology Form before using any technology at school.
- The use of iPads, Chromebooks, computers, and other technology equipment at Our Lady of the Visitation School is a privilege with responsibility. This includes school Chrombooks that students may borrow for the school year. Failure to meet these responsibilities may result in revoking the privilege and/or further consequences determined by administration including being held financially responsible for the repair or replacement of stolen or damaged equipment. All students and staff are held accountable to the Archdiocesan user policy on technology. These student responsibilities are outlined below:

I AM RESPONSIBLE FOR MY ACCOUNT:

- I will not give out my password.
- I promise to log off from my program, exit all programs and return technology as directed including plugging it in correctly.

- I will not download any gaming software or file sharing software. I will not download anything without permission.
- I will not use any personal devices (e.g.-cell phone, smart watches, personal computers, ipads, or tablets) or social media platforms while at school or during school hours on any school property. This time includes 7:45-3:30 p.m.
- I will only use the websites directed by my teacher.
- I understand that my use of my own personal devices could result in consequences at Visitation.

I AM RESPONSIBLE FOR HOW I CAN USE TECHNOLOGY TO TREAT OTHERS

- I will only use language, memes, pictures, images, characters, etc. that are morally acceptable and appropriate for all to see. This includes my own personal devices or devices used outside of school.
- I will not write or publicly share anything that is hurtful or embarrassing to anyone.
- I will not pretend to be or represent someone else, nor will I ever use anyone's personal identification or login.

I AM RESPONSIBLE FOR PROTECTING PROPERTY

- I will not copy/ plagiarize material or disobey any copyright laws.
- I will not tamper with or vandalize any hardware, software or data.
- I will not alter or attempt to alter any settings or programs existing on Visitation property.
- I will maintain the technology equipment assigned to me in its original condition.
- I will not log into or use another student's Chromebook.

The school reserves the right to impose discipline for harassing, intimidating, bullying or other inappropriate behavior that takes place off School grounds or outside of School hours. This includes activity on social media both during and after school hours.

SCHOOL PROCEDURES

ATTENDANCE

Please call the proper absent line by 8:30 a.m. to report your child will be absent tardy, or has an early dismissal. Please do not call the school office.

- **K-8 Absent/Tardy Line #513-347-2231**
- **Preschool Absent/Tardy Line #513-347-4450 - press 1**

Please provide the following information:

Child's name, Grade, Homeroom, Reason for absence or late arrival (Please be specific - stomach ache, throat, vomiting, funeral, doctor appointment, etc.)

All students attending Our Lady of the Visitation School are expected to participate in all programs and activities during the regular school day. A written excuse OR phone call by the parent/guardian, stating the reason for the absence and the date(s) or time by the parent/guardian is required for all absences. A physician's note may be required for long term absences or chronic absences.

Being on time for one's commitments is a quality of a considerate and responsible Christian person. If a child arrives late for school, he/she must report to the office and present a note from his/her parent/guardian. He/she will then receive an admittance slip to present to the teacher. When a child is late for school it can cause them anxiety, frustration and embarrassment. It is very difficult for a child to feel ready and organized when they are tardy for the day. Children need those few minutes to get settled and prepare themselves for the day.

Students arriving after 10:20 a.m. will be counted 1/2 day absent. Students leaving before 11:00 a.m. will be counted a full day absent. Any absence more than 2 hours from the school day is considered a half day absence. Early dismissals will be marked on report cards.

If a child must be excused from school during any part of the day, a written note stating the reason is required before the requested absence. The note must be turned in to the student's homeroom teacher. All students will be dismissed from the office.

When a pattern of chronic/absence tardiness occurs, the school will send a letter home alerting parents to the issue. If a child is absent or tardy for more than 15 days, they may be asked to leave Our Lady of the Visitation School, or repeat the grade, regardless of grades.

If a child cannot participate in a routine manner, the parent or guardian must submit a written note to the homeroom teacher. A doctor's note could be required. The note must state the reason, specific limitations or restrictions and the anticipated duration of the condition.

A child should not attend extracurricular activities if they are out sick. Students who have been suspended may NOT attend any extracurricular activities sponsored through Our Lady of the Visitation School and/or Parish.

If you choose to pull a child out for social or athletic reasons (tournaments, attending Opening Day, vacation, go golfing with dad, etc.) the teachers are not required to provide work for your child, nor are they required to work with your child to help get them caught up from this missed work. When you take your child out of school, you are taking away from their education.

At the beginning of the year, students will be asked the method for getting their missed work and books home. If possible, students should have work ready when they return. If a student is absent for a longer period of time, the parents and teacher should create a plan for making up missed work.

VACATION / TRIPS

Parents are discouraged from scheduling vacations, social outings, sports tournaments or trips of any nature during the school year.

- Excused absences include illness, funerals or other emergency absences as determined by consultation with the principal.
- All other absences, including vacations, are considered unexcused. Unexcused absences can be detrimental to a child's educational progress and should be avoided. Parents assume all

academic responsibility for such absences. It is not the job of the teacher to cater to social absences.

- If parents decide to remove a student for an “unexcused absence,” they are advised that teachers are under no obligation to give students work ahead of time. Any assignments missed, including tests, will be given to the student upon return at a time convenient for the teacher.
- Upon returning to school the student **MUST**, on the first day back, have any assigned work (if given) completed and handed in to all teachers and be ready to take assessments.
- If the student is missing assignments, consequences will be provided.
- If the student experiences problems in class with material that was covered during the student’s absence, it will be the parent’s responsibility to make arrangements to provide the student with needed instructions.

HIGH SCHOOL SHADOWING

8th grade students are permitted three days to shadow at a high school. Parents are required to call the student in absent and state shadowing as the reason. Students should notify teachers at least 3 days in advance of their shadow days. The high schools may be contacted for verification of the student’s attendance. Students are expected to have all missed work completed and be ready for all tests upon their return. Parents should schedule shadow days on non-test days. It is the responsibility of the student to make up all missed work and studying on time.

CALENDAR

The school calendar is available on our website: [Our Lady of the Visitation School > Visi Vitals > Calendar](#)

All school days are full days, except for those noted as early release days on the calendar.

7:20 a.m. - 7:45 a.m.

- Student School Day: 8:18 a.m. - 2:55/3:05 p.m.
- Student drop off times are 7:45 a.m. - 8:15 p.m.
- Tardy bell rings at 8:18 a.m.

SCHEDULE

School Day 8:18 a.m. - 2:55/3:05 p.m.

Supervision is not provided until 7:45 a.m. (Parents have the option to pay for Before School Care beginning at 7:20 a.m.) Children are to go to the auditorium or MPR and remain there until they are dismissed. All students should arrive by 8:15.

Children who walk or ride bikes should not arrive at school before 8:00 a.m. Walkers, bike riders and children in car pools arriving after 8:10 a.m. should go immediately to their homerooms. Students will be marked tardy as soon as the morning song ends (about 8:18 a.m.).

BEFORE CARE

- 7:20 a.m. - 7:45 a.m.
- Monday-Friday when school is in session
- Open to all students K-8
- \$50 a semester to be registered, unlimited number of days
- Students supervised in the auditorium
- Helps working parents
- Drop off in back parking lot behind auditorium
- Students may bring a hand held breakfast and drink
- Provides a safe environment for students
- Students can read/study/work puzzles/play games

AFTER CARE

- 3:00 p.m.- 6:00 p.m.
 - Monday-Friday when school is in session
 - Open to students in grades K - 6
 - Safe and secure supervision for both indoor play in the auditorium and outdoor activities (weather permitting)
 - Homework assistance is available
 - Participants can continue to join after school activities such as Spanish, band, scouts, sports, etc.
 - Games, puzzles, art and homework time
 - Daily snacks provided
- Fees are based on number of days - see chart below

AFTERCARE SCHOOL YEAR FEES

	1st child	2nd Child	3rd Child
Monthly full time (attends 13 days or more/month)	\$165	\$150	\$135
Monthly Part Time - A (attends 9 - 12 days month)	\$145	\$135	\$125
Monthly Part Time- B (attends 4 - 8 days month)	\$100	\$100	\$100

*If school is closed for holiday break, in-service day or weather, the After-Care program is also closed. On days of early dismissal, previously scheduled or if due to weather, the After-Care Program will not be open.

TRANSPORTATION

Each school district will provide specific guidelines for buses.

Bus transportation is provided for those eligible by the Oak Hills and Three Rivers School Districts. All bus schedules, regulations, and routes are determined by these school districts. Only students who have been assigned to a bus by the district may ride the bus.

Lists are kept on file at these Boards of Education of all students eligible for bus service. Withdrawals, new enrollments or change of address, necessitating a change of bus assigned should be made to the public school district. Students must follow the rules for bus riders established by the public school district.

Children may ride ONLY the bus to which they have been assigned unless they have a permit authorized by the public school district to ride another bus. To obtain this, parents must make the request by written communication.

Misbehavior on a bus will result in consequences at school.

Under no circumstances may a child from one school district ride a bus from another public school district.

ARRIVAL PROCEDURE

Morning drop off: School doors open at 7:45 a.m. All students should arrive by 8:15 a.m. Students are tardy at 8:18 a.m.

Carpool Arrival

Use the south entrance to the main building. Stay in a single file, pull up as close to the library building end as possible, leave your riders out of the car and then proceed to exit. Students should enter out of the doors closest to the library. They should always cross in front of their own car. If you have a large project or need extra time to get out, please pull in the center of the lot and wait for an adult to escort the student across the traffic line. Please DO NOT form a double row of cars or attempt to pull in front of another car. To avoid a back-up to South Road, cars should pull up as far as possible before children get out. Children should get out of the car when it stops, even if it isn't up to the building. Children should cross in front of their own cars. Please say your goodbyes at home. Please take care of hugs and farewells at home, so as not to hold up the line.

Please inform any parent, grandparent, friend, aunt, uncle, high schooler, etc. of the carpool arrangements. When we have "subs" for carpool that is often when we have our near miss accidents.

Kindergarten students may be dropped off in front of the Preschool entrance. Preschool parents should use the carpool line where a staff member will help them out of the car if needed. Parents MAY park in the lot and walk them over, but by October 1st, we encourage the use of the carpool line.

Bus Arrival

All bus riders will be dropped off behind school in the morning and head to the auditorium or classroom, depending on time.

DISMISSAL PROCEDURE

2:55 Carpool Dismissal for those cars turning RIGHT onto South Road

3:10 Carpool Dismissal for those cars turning LEFT onto South Road

2:47 Preschool Carpool - This carpool is for families that have a (full day) Preschool or Kindergarten student in their carpool. Students in grades 1-8 will be walked over to the Preschool Entrance to meet their carpool.

- Make sure your child knows which carpool they will be in this year.
- A child is not dismissed from school until his/her bus, carpool, or walkers are called.
- If a child has the parents' permission to go home with another parent, a note granting such permission should be presented to the child's teacher.
- If a child who usually rides the bus wishes to walk, parents must write a note giving their permission.
- No child will be kept after school without the parents' consent or knowledge.
- Parents are legally responsible for their children after dismissal time whether they are car-pooling or walking.
- If a child changes transportation, a note from the parent or guardian must be written. This includes walking somewhere for social reasons (i.e. walking to Aromas). We will not let any student leave unless they have a note about walking.

All cars will enter the South Road lot using the entrance closest to the white house (church office). All cars will pull into straight lines facing Werk Road, using the parking spot lines as guides. Please pull up behind the car in front of you, leaving 2-3 feet only between cars. Cones will be used to mark the beginning of the rows. The cone will also serve to block the cars from leaving. Students will wait in the holding zone outside the second and third grade classrooms. Parents can pick students up from the holding zone. Once students are safely in cars, a staff member will call any unattended students back into the holding zone. Once students are secured back into the safety zone, cars will then be dismissed by rows by a staff member.

SCHOOL CLOSINGS & DELAYS

In the event that school would be closed because of inclement weather, please observe the following:

- Listen to the radio or television and/or monitor your email account and our social media
- Our Lady of the Visitation School will follow Three Rivers Local School District for closings or delays. We will use the Rediker system to notify families of closings or delays. You must register to receive the information. Because we have transportation with Three Rivers and Oak Hills, they may not agree on the closings and/or delays. When the districts disagree, we will always follow the Three Rivers School District. This could mean that some students may not have bus service on a day that we are having school.
- If the weather takes a turn for the worse while we are in school, Three Rivers has been known to close early. If they announce early closings, students who ride the buses will be put on the bus when it arrives. Car-poolers will be dismissed when their carpool arrives, be that at 1:30 or 3:00 p.m. If you drive a carpool, we ask that you pull in the lot as usual and come to the library where someone will meet you, get the names in your carpool, and call the kids to come out and meet you at your car. If the weather starts to take a turn for the worse during the day, please listen to the radio for Three Rivers early dismissal or monitor your Rediker email/text/phone.
- Make plans now with your children for what they should do if there is early dismissal and you are not home. Please do not ask them to call you from school if there is an early dismissal. Please listen to the radio and/or monitor your Rediker account or make arrangements for a friend or relative to call you if you cannot listen. Children should know how to safely get into the house and call a parent.
- The websites of many radio and TV stations will send you a text or email message for Three Rivers closings, delays or early closings. Take advantage of this service.
- If your child is in one of our half day programs and there is a snow delay on their designated class day, your child will NOT have school.

RECESS

All children, grades K-8, are expected to go outside for noon recess, weather permitting. Students will go outside for recess as long as the “feels like” temperature is 25° or above. Children should be dressed properly for outdoor recess. Children should play in the designated area for their grade level. Students are required to play safely and fairly and to follow the playground rules, including the instructions of the playground monitors. Playground monitors are to be treated with respect and have full authority to write up students for misbehavior, including demerits and detentions. Students not dressed properly for recess may either be cold or be asked to sit inside the cafeteria during their recess time. If a parent wishes his/her child to be excused from noon recess, the request must be made in writing stating the reason the child is to be kept indoors.

VOLUNTEERS

All persons coming to Our Lady of the Visitation School on a school day during the hours of 7:45 a.m. to 3:05 p.m., other than students, staff, and those serving lunch in the Cafeteria, must report to the school office prior to going to any other part of the building. All regular volunteers must have completed all phases of SafeParish, the Child Protection Decree training, and must complete a background check via selection.com before they can serve as a volunteer.

The list of SafeParish training opportunities is available through the Archdiocese of Cincinnati website at <https://www.aocsafeenvironment.org>. It is Archdiocesan policy that no employee or volunteer may have contact with children until a clear background check on the individual has been received. There are no exceptions to this policy. This means that volunteers may not begin their service until this process has been completed. If you have any questions about this policy, please contact the Archdiocesan Office at (513) 421-3131.

ELECTRONIC DEVICES

Cell Phones

Students have no need to have cell phones during the school day. If an emergency requires that a parent needs to contact the student during the school day, this can be done through the office. However, if you feel strongly that your child should have a cell phone with him or her for an after school activity, it is to be kept in the locker or cubby in an off position while he or she is under our supervision, unless a teacher gives permission otherwise. Students may not use cell phones at school unless approved by a staff member (i.e. extracurriculars that occur immediately after school). If we hear or see a phone, it will be confiscated until the end of the day and a demerit will be issued. Further issues with electronic devices will deem harsher consequences.

iPods and other music players

Again, there is no reason for children to have these at school and they will be asked to bring them home if they are seen or in use. These devices will be treated with the same consequences as cell phones as they have texting capability.

Social media

Students will be given consequences for any social media or personal devices used in school.

e-Readers

e-Readers such as Kindles, Nooks, or Sony Readers ARE permitted. However, if students are using them for anything other than reading, they will be handled in the same manner as a cell phone.

Smart Watches

No Smartwatches are allowed in school. Students need to place them in their backpacks.

- any device that sends or receives messages is not allowed.
- iPads and other personal computers: Personal electronics are not permitted unless special arrangements are made with a teacher for a special project, etc. Students have access to technology through school. There is a Chromebook loaner program available if a device is needed.

Nintendo DS, PSPs and other handheld gaming systems

These do not have a practical school purpose. They may not be brought to school.

Please know that you are assuming risk when your child brings anything of value to school, electronic or not. Items can “walk off” and accidents can happen. We respond to any situation seriously, but we will not be held responsible as a school if something happens to your child’s device. All students are, of course, required to comply with any teacher or administrator requests regarding a device or any item that an adult considers distracting to the child or others. Consequences other than the ones listed above may be issued at the discretion of the school based on the circumstances of the offense. As new technologies are introduced and become more widely available to children, we will re-evaluate our policies and procedures to reflect this changing world.

CELEBRATIONS / TREATS

Classroom celebrations need to be coordinated with the homeroom teachers. Teachers can then verify times, days and whether or not students have food allergies. Birthday treats should be easy to hand out and not messy. They should not have to be refrigerated unless you check with the child’s teacher prior. No cutting should be required on the teacher’s end.

Treats may NOT be delivered directly to the cafeteria due to food allergies. Cafeteria parent workers are not to bring in special treats, drinks, or restaurant lunches for their children. Treats for a small group of students are not allowed either-this creates too much angst among children. No party invitations are to be passed out at school unless an entire classroom is invited.

COMMUNICATION

Communication between home and school is important. Communication is fostered through Meet the Teacher Night, Open House, parent/teacher conferences, quarterly report cards, and a school newsletter emailed every Wednesday.

Our weekly newsletter is an important form of communication with parents. It is emailed through Rediker every Wednesday. It is imperative that parents receive and read the newsletter for information about your child’s school. If you do not receive it, please send an email to Rediker@olvisitation.org

In addition, all parents are invited to sign up for the Rediker Database system for email blasts. All staff members have access to email and a personal classroom telephone number.

Just as a parent can decide that a school is not the best fit for a family, Our Lady of the Visitation may decide that the relationship with a family is irrevocably broken and can not be repaired. When you become a part of Our Lady of the Visitation School you agree to follow all guidelines and policies put into place whether you agree with them or not. Poor or inappropriate behavior by students and/or parents will not be tolerated. This includes posting negative comments about Our Lady of the Visitation and/or its students or staff. This includes any and all forms of social media. When a family has an issue, they should contact the school to try to resolve it.

CONFERENCES

Scheduled parent-teacher conferences, for those who wish them, will be held during the school year the week of Thanksgiving. The faculty is also available for conferences throughout the school year as needed. Individual conferences may be scheduled at the request of the parent or the teacher. Specific problems will be more easily resolved if the matter is first taken up with the teacher involved rather than consulting the principal. Teachers are required to respond to parent contacts in a timely manner. In this day and age with communication being so readily available, the school does not take it as a sign of disinterest if you choose not to attend a conference. However, if the teacher requests a conference, we expect a parent to attend.

STUDENT REFERRALS & RTI PROCESS

Student Academic/Behavioral Concerns/MOD Services : Parents who have academic/behavioral concerns about their child should begin addressing their concerns by first contacting the classroom teacher/s. The teacher/s will implement strategies in the classroom to see what helps. If, after a period of time (recommended 6 weeks) agreed upon by the parents and teachers, the strategies do not seem to be working and more help is needed, consultation and/or intervention support from the modular staff may be warranted. If these additional interventions still do not help to alleviate the concerns, a multi-factored evaluation may then be recommended. Interventions must be attempted and documented before testing for special education services can occur. Whether or not a multi-factored evaluation should occur is determined by the classroom teacher, modular staff and administration.

EXTRA-CURRICULAR SUPERVISION

School personnel are responsible for students only until dismissal time for carpool and walkers or until the last bus has come and gone for bus riders.

Parents who transfer this responsibility to coaches/adult leaders are advised of two important things.

1. They ought to have in writing an acceptance of this responsibility from the coach/leader and,
2. If the meeting /practice is after school, the leader/coach must be here no later than 3:10 p.m. to meet students. There should be a designated meeting spot for all members of the group. Students are not permitted to remain after school waiting for practice to begin, e.g. 4:00 p.m.

CHANGE OF ADDRESS

Should you change your place of residence within the parish, send your new address and telephone number to the School Office. You will also need to change information in the Rediker database system. If you are transferring to another school, have the new school send a written request to the school office for your child's records (Transfer of Records Request). They will then be sent to the new school. It will be the responsibility of the parents to get the child's report card and personal possessions on his/her last day in school.

EXCUSED FROM GYM

If it becomes necessary for a student to be excused from participation in gym class, excuses will only be accepted with a note from a parent, guardian or doctor.

WATER BOTTLES

Students may bring a plastic water bottle to school as needed. The liquid has to be able to be seen. Bottles need a sippy type lid.

CHILD PROTECTION POLICY

In our continuing effort to maintain a safe environment for all children at our parish activities, all volunteers and employees must be in compliance with the Archdiocese's Decree on Child Protection. This includes the online training through SafeParish, having a valid background check, and staying current on the quarterly interactive videos.

To create a SafeParish account, go to <https://www.aocsafeenvironment.org> click "Register" and use the the passcode "protectcincy" when prompted. If you previously had a VIRTUS account, you should see that listed when registering, and your background check results will be linked to your SafeParish account.

It is required that all volunteers and employees complete an online background check through Selection.com. If you have any questions, contact our Safe Environment Coordinator, Tracy Wagner at twagner@olvisitation.org or 513-922-2056. School employees are required to complete additional fingerprint background checks per state law and the Ohio Department of Education Licensing requirements.

Thank you for your efforts in helping our Lady of the Visitation have a safe environment in which our children can worship, work, and play.

SPECIAL NEEDS STUDENT POLICY

All decisions on enrollment are made on an individual basis by the principal after talking with the parents and assessing the child. Our school can provide accommodations, but we are not equipped to change the curriculum for students.

STUDENT SERVICES

CAFETERIA

A cafeteria service is provided and milk may be purchased by children who bring their lunch. The cost is established by the manager of the cafeteria and is subject to change. This school year the cost for a tray lunch, including milk, is \$4.00. The menu is now available on Hotlunch.com, allowing you to sign up and order lunches on a weekly and/or daily basis. We will no longer use the paper lunch tickets. For those who pack, milk may be purchased for 50¢. Prices are subject to change.

LIBRARY

Each class will be provided an opportunity to make use of the library. Younger grades have a set time and older grades may go during their Flex times with permission. A fine of 10¢ per day per book will be charged for overdue books. Exceptions will be made for excused absences. In the event of lost or damaged books, the amount to be paid will be determined by the librarian. The library is also open before and after school on certain days.

HEALTH & SAFETY

HEALTH SCREENINGS

Under the direction of the School Nurse, routine checks on vision, hearing and scoliosis, and maintenance of a complete health record will be provided for each child.

SCREENING PROCEDURES

Hearing and Visual Screening: The Hearing and Vision Screening will follow the requirements of the Ohio Department of Health. The schedule will include vision and hearing screening for students in preschool and grades K, 1, 3, 5 and 7. Additional classes may be screened as time permits.

Those students who do not pass are screened a second time, or as needed if there is a question regarding the results of the initial screening. If the student fails the completed screening procedure, the parent/guardian will receive a referral letter and/or a conference with the school nurse either by phone or in school.

If a problem is suspected, teachers and/or parents may request additional screening be done at any time throughout the school year.

IMMUNIZATION REQUIREMENTS

Ohio Revised Code sections 3313.67, 3313.671 and 3313.37 outline mandated immunizations required for school attendance for preschool through grade 12. An immunization record must be on file within 14 days of entering school. Parents of students who do not have the required documentation will be notified by the school nurse and/or principal requesting completed immunization information. Please do not rely on a previous school to forward the information. If you would like a copy of the immunizations required for school attendance, please contact the school nurse.

Parents who do not wish to immunize their child for philosophical, religious or medical reasons must submit a letter to the school nurse indicating which immunizations they are waiving, and their reasons. Please note, that in the event of an outbreak of communicable diseases any student not having completed immunizations may be excluded from school until the threat from the communicable disease has passed.

The law now requires that all students entering 7th grade must have received a booster dose of the Tdap (adult vaccine for Tetanus, Diphtheria, Pertussis) and One (1) dose of MCV4 meningococcal (serogroup A, C, W and Y) vaccine (for meningitis). All 7th grade students will need to show documentation of having received both of these immunizations to the School Nurse. Any student who completed the original DTP/DTaP/DT series and then received a dose of Tdap will meet the requirement for the Tdap immunization and will not need to be re-immunized for entry into the 7th grade (this applies to the Tdap vaccine only). You must provide documentation of these vaccines and dates to the School Nurse along with a doctor's stamp or signature.

TUBERCULOSIS

Our Lady of the Visitation will follow the guidelines for Tuberculosis (TB) testing as required by the Hamilton County Public Health Department. All students and staff who were born outside of the United States of America (USA) that have been in the USA for 5 years or less are required to have a TB test within 90 days of employment or enrollment in school. Also, all students and staff who travel at any time to a * "high risk country" as defined by the World Health Organization Global TB Control, in a **"Non-tourist capacity" for one week or longer, must provide documented evidence of having a negative skin test or blood test in no less than 60 days but no more than 90 days after their return from travel. It is the parent/staff responsibility to notify the school of any planned or completed foreign travel during the school year.

Please note:***"High risk countries" are defined by the World Health Organization Global TB Control. For a complete list of "high risk countries" please contact the school nurse. ***"Non tourist capacity" is defined as staying with family/friends in a private residence, spending most of the travel time in a home or facility where the residents of the foreign country live, or a service/mission trip of one week or longer.

SCHOOL HEALTH RECORD

Physical examinations are requested of every student enrolling for the first time. The School Health Record will be maintained in the school health office under the supervision of the school nurse. The original record and its contents will be sent to the next school when the student transfers.

NOTIFICATIONS

It is the policy of the school to notify faculty of medical problems, which may affect the academic performance, or safety of the student. Parents who do not wish such information to be distributed should notify the nurse. Parents must sign a waiver releasing the school of responsibility for non-notification.

It is the parent's responsibility to notify the nurse of any medical problem or medication taken at home that would affect the performance or safety of the student. Parents should also notify transportation authorities of any medical problem that could result in an emergency.

Our Lady of the Visitation School (OLV) is committed to the safety and health of all students. The focus of allergy management shall be on prevention, education, awareness, communication and emergency response. OLV is committed to working in cooperation with parents, students, and physicians, to minimize risks and provide a safe educational environment.

All students with food allergies are required to have written documentation of such allergies from his/her physician and/or other licensed prescriber. School health practices shall provide students with peanut or other food allergies the opportunity for full participation in all classroom and school activities unless prohibited by a physician's written statement to that effect.

It is the responsibility of the parent to inform bus transportation facilities and all adults who supervise non school related/organized activities of student's food allergy providing emergency care plans and medications if applicable.

Administrative guidelines shall provide guidance of the implementation of this policy.

ACCIDENT / ILLNESS POLICY

The school nurse is responsible for providing nursing care of students who become ill or injured while at school. If an illness or injury is serious or needs medical attention the school nurse will attempt to notify a parent or guardian as soon as possible. If a life threatening situation is suspected the school nurse will call 911 without delay then will notify the parent/guardian and will follow instructions given on the Emergency Medical Authorization form.

It is not always clear when a child should be kept home from school due to illness. It is not possible to cover all the scenarios but here are a few guidelines that will help keep everyone healthy.

GUIDELINES FOR CHILDHOOD ILLNESS AND SCHOOL ATTENDANCE

Fever: If your child has a fever (a temperature of 100.0 F. or greater) they should remain at home until they have been fever free for a full 24 hours without giving any fever reducing medication and they have returned to their typical behavior. It is important for you to take your child's temperature before giving the fever-reducing medicine.

Vomiting and/or diarrhea: Your child should remain at home until they have been without any episodes of vomiting or diarrhea for a full 24 hours and have resumed a typical diet. If your child has had any of these symptoms during the night she/he should not be sent to school the following day.

Cold symptoms: Runny noses are a fact of life with little ones. However if the drainage is thick and green, or if your child has a persistent or productive cough please have your child stay home and consider consulting with your child's doctor. A constant dry cough can be a sign of more serious respiratory problems and the doctor should be notified.

Redness or discharge in the eyes: Redness of the white part of the eye, burning or itching, yellow or white matter or crusted eyelashes are the signs of pink eye or conjunctivitis. This is very contagious. Your child should remain at home until she/he has seen the doctor and has been on medication for 24 hours.

Chicken pox: Chicken pox is a skin rash consisting of small blisters, which leave scabs. There may or may not be a fever present. Children need to remain at home until all blisters have scabbed over, usually 5-7 days after the first appearance of blisters.

Rashes: Rashes can be difficult to evaluate. Skin rashes of unknown origin should be evaluated by a physician before your child is sent to school.

Sore throat: If your child has a persistent or severe sore throat they should remain at home. You should consider contacting your child's doctor if there is fever, white patches on the tonsils, swollen tender glands, headache, or stomach ache. These could indicate possible strep infection. If that is the case, your child should remain at home until he/she has had 24 hours of antibiotics and has resumed typical activity.

Please remember that these are just guidelines. If in doubt, keep your child home until he/she can be checked out further or he/she is better. This is also for the benefit of the other children and teachers in the classroom and will help to keep everyone healthy.

MEDICATION ADMINISTRATION AT SCHOOL

Whenever possible, the administration of medication required for a student during the school day should be given before or after school hours. However, certain students may require the administration of medication during the school day to maintain an optimum health status for learning. All medications, both prescription and over-the-counter medications, require an order from a licensed prescriber (i.e. doctor, dentist, nurse practitioner, orthodontist, etc.) before any medication will be administered at school. This includes cough drops, acetaminophen, ibuprofen,

etc. No medications may come to school without a completed order. Directions on the permission form must be followed. Forms are available on the school website or in the health office.

The prescribed medication will be administered by the school nurse or by a designated staff member. All medication must be brought to school in the original container. Prescription medications are required to have a current prescription label. Over-the-counter medications must be labeled with the student's name. Parents should bring medications to school. School personnel cannot accept responsibility for medications brought to school by a student. All remaining medication must be picked up by a parent/guardian when the order expires or at the end of the school year, whichever comes first. All medications remaining will be destroyed at the end of the last day of school.

Ohio Law allows students to carry and self-administer asthma inhalers and epinephrine auto-injectors with specific additional requirements from the parents and licensed prescriber. If you would like your child to carry and self-administer his/her inhaler or epinephrine auto-injector "Epi-Pen," please contact the school nurse for further information.

USE OF CRUTCHES / WALKER AT SCHOOL

Occasionally students have injuries that require the use of crutches or walkers. There are many flights of stairs that are unavoidable during the normal school day. If a parent feels an injury is severe enough to need crutches we request that the student be evaluated by a physician. The physician should evaluate the injury, recommend the use of crutches, properly fit the crutches, and instruct the student on the correct way to walk using the crutches for support. Please bring a doctor's note to school that states:

- Type and location of injury
- If the student is able to put any weight on his/her leg (weight bearing instructions)
- How long the student will be using crutches

We will make every effort to accommodate the use of crutches when needed. However, depending on the type of injury and the student's ability to use crutches, students may need to remain on one floor for the school day. Students may be required to eat lunch in another place, miss special classes, Mass, special assemblies, etc. Parents may consult with the school nurse to help plan their child's school day to provide for the safest environment. We have one wheelchair at school to help with severe injuries.

AIDS POLICY

Archdiocesan policy stipulates that "Each instance of AIDS involving a student or an employee shall be treated as a strictly confidential and an individual matter."

Decisions regarding such occurrences shall take into account Christian concern and compassion, community health and well-being, and individual privacy and needs.

PREGNANCY POLICY

The decision to admit or retain a student in the school who has become pregnant or caused another student to become pregnant will be made by the pastor and/or principal after all involved parties have been consulted. Each occurrence calls for an individual decision based upon the principles of Christian charity.

GENDER IDENTITY POLICY

In Catholic schools, all curricular and extra-curricular activity is rooted in and consistent with, the principles of Catholic doctrine.

Catholic Schools:

- Support students with gender dysphoria by treating them with sensitivity, respect, mercy, and compassion.
- Require that participation on school/parish teams be according to biological sex.
- Require that names and pronouns be in accordance with the person's biological sex.
- Designate Catholic sex education, uniforms and gender appropriate dress, bathrooms, locker rooms, showers, and sleeping accommodations on trips according to biological sex.
- Maintain names in school records according to the student's biological sex.
- Provide reasonable accommodation to a private bathroom for use by any student who desires increased privacy.
- In case of a specific request, consider in a compassionate way, on a case-by-case basis, the physical and psychological needs of a student based on the following questions:
 - What is the specific request of the student and/or parents?
 - Is this request in keeping with the teaching of the Catholic Church?
 - Is the school reasonably able to accommodate the request?

SCHOOL EMERGENCY PROCEDURES

FIRE, TORNADO, & SAFETY DRILLS

Drills will be held at regular intervals, as required by law. Directions will be given in each room at the beginning of the year and posted in a visible place. We ask that all adults who are in the building at the time of an alarm follow the safety rules.

SCHOOL ORGANIZATIONS

PTO

We are an organization within Our Lady of Visitation that consists of parents, teachers and school staff. The Board is responsible for the facilitation and delegation of leadership in regards to various school events/activities. Financially, the goal is to use the prior years funds raised towards the current years events/activities. Budgets are created at the beginning of the year to ensure funds are appropriately delegated.

PARISH EDUCATION COMMISSION

The purpose of the Education Commission is to advise the pastor and principal on educational policies for the entire parish and to assist in planning and evaluating parish education programs: preschool through adult. The commission is not responsible for the creation and administration of rules. It encompasses the parish school and parish religious education programs for preschoolers, school age children, and adults. The commission consists of the pastor, the principal of the school, the director of the religious education programs, and parish members. This group meets as needed or consults via email.

FINANCE

FINANCIAL POLICY / TUITION

A. Responsibility

The administration is responsible to ensure all tuition and fees are paid in full according to schedule.

B. Payment Schedule

Managed by FACTS Management Company

1. Non-refundable Deposit

- a. Fee is due at registration in February for all new students.

2. Tuition

- a. Tuition payments may be made annually, semi-annually, or in ten (10) monthly payments during the school year (August through May).
- b. Pay your bill in full - Due August, 2022; semi-annual payments in August 2022 and January 2023 (Make a secure payment online (www.factspayment.com)).
- c. Select a budgeted payment plan that works for you at (www.factspayment.com).
There is a one-time yearly fee of \$44 to utilize a budgeted monthly payment plan.
- d. Tuition is not a tax-deductible item.

C. Tuition

1. Tuition for the next school year will be established by the Finance Committee and approved by the Pastor and/or Pastoral Council.
2. Families moving from or into the school during the school year may have their tuition prorated at the discretion of the principal.

3. **FINANCIAL AID/TUITION ASSISTANCE** - Financial Aid/Tuition Assistance is available to qualifying school families. In order to receive Financial Aid/Tuition Assistance a family **MUST** apply through FACTS. A family will not be considered or awarded aid if an application with FACTS has not been filed. Information can be found at factstuitionaid.com.
4. Financial assistance will only be given to families that follow the Participating Member Policy as stated in Section F.
5. **Volunteer Hours** - Those receiving financial assistance are required to volunteer at least 20 hours per year. Those not receiving financial assistance are requested to volunteer at least six hours per year.
6. Divorced or separated parents must provide a copy of the divorce decree so that the responsible party for payment of tuition may be identified. If the divorce decree does not address the issue of responsibility for payment of tuition, **BOTH** parents will be required to sign a Guarantor Statement stating that, in the event of non-payment of tuition as agreed by both parties, they will be held liable for the full tuition amount.

D. Non-Payment of Tuition

1. Any family who cannot meet the tuition payment should contact the Business Manager.
2. Non-payment of tuition is grounds for dismissal from school. In the event of an outstanding balance at the beginning of a school year, the student will not be admitted until a written satisfactory agreement is executed with the Business Manager. Failure to pay in accordance with the agreement is grounds for dismissal. Dismissal may occur during the academic year and is not limited to the start of a new school year.
3. Records will not be released when a student transfers to another school until all financial obligations have been met.
4. Report cards may be held until tuition is current or arrangements are made.
5. Families with a graduating 8th grader, and no other students in school at Visitation, must have their tuition balance current by May 1st. Failure to do so may result in the student being disallowed to participate in end of year activities.

E. Parish Subsidy

1. Parish subsidy is the payment made by the parish to the school in order to pay the deficit between operating cost and tuition income.
2. Parish subsidy is determined by the total cost of the school less student tuition.
3. Since the weekly Sunday collection is the main source of the parish subsidy, all families who are registered members of OLV Parish are expected to contribute.
4. Total cost of tuition for the 2022-23 school year exceeds the amount of tuition charged for each student. This creates a need for the parish to subsidize the cost of each child's education. This subsidy is funded by each family's weekly contribution to the Sunday Offertory of approximately \$25-\$30 per student.

F. Contributing Member Policy

1. Participate in the faith life of the Parish by regular attendance at Mass **AND**
2. Participate in the community life of the Parish by volunteering time and talents in ministries and organizations as able **AND**
3. Financially support the Parish on a regular, ongoing basis in addition to tuition, by using the Sunday offertory envelope.
4. Non-contributing parishioner tuition to educate one (1) child is \$5,045

COVID-19 ADDENDUM

COVID POLICIES

Administration has the right to amend the handbook with pastor approval at any time

INFORMATION COVID-19 Symptoms: Taken directly from the CDC:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Symptoms: People with COVID-19 have had a wide range of symptoms reported - ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough

- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

*This list does not include all possible symptoms, per the CDC.

Transmission: COVID-19 is believed to spread mainly from person-to-person between people who are in close contact (within about 6 feet) with one another and through respiratory droplets produced when an infected person coughs or sneezes.

Temperatures: Please do not give your child any fever reducing medication before school. It is imperative to know a child's temperature **without** medication. Any child with temperatures above 100 degrees will be sent home.

Communication regarding COVID-19 illness:

Parents will inform the school nurse when:

- Their student has been exposed to, diagnosed with, or is exhibiting symptoms of COVID 19.
- Someone in their household or recent contact has been diagnosed with COVID-19 or has symptoms suspicious of COVID-19.
- Parents will work with the school nurse and state health department authorities regarding when the child can return to school.

Returning to school after Covid illness: Return will be determined via collaboration with current local health department guidelines. Current guidelines from the Ohio Department of Health are used.

Illness Prevention: Please model these hygiene practices with your children at home so they are prepared to practice them at school. Praise them for good habits! •

Handwashing:

- Sing "Twinkle Twinkle Little Star" or "Happy Birthday" twice which is approximately 20 seconds
- Rub vigorously with soap and water to form suds getting all surfaces of the hands and fingers
- Dry hands with paper towel and turn faucet off with towel, place towel in garbage can.

Respiratory etiquette:

- Cover coughs and sneezes with tissue or elbow.
- If you cough or sneeze into your mask, put a new mask on and wash your hands.
- Put soiled mask in a bag in your backpack.
- **Don't touch your face** (The T Zone-eyes/nose/mouth). If you must, use a tissue to wipe eyes or nose and then wash your hands or use hand sanitizer.

Hand Sanitizer:

- Hand sanitizer will be in every classroom.

- Students may bring their own but its recommended that it is basic fragrance, not extra fragranced or highly scented products as these can trigger symptoms in highly allergic or asthmatic people.

Cafeteria:

- Hot lunch will be served until further notice.
- Snacks/ice cream/ milk/water will be sold.

COVID ACKNOWLEDGEMENT

We, the undersigned parent(s) and student, acknowledge and agree that, as a student at Our Lady of the Visitation School and as parent(s) of that student, entering in the school or being on the premises, having personal contact with teachers, classmates, and other Our Lady of the Visitation School staff, involves a certain degree of risk, namely of parent(s) and/or student acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the close proximity of students, teachers, and staff at [School], there is an elevated risk of student contracting the disease simply by being in the building, on the premises, or at any Our Lady of the Visitation School function. The same is true for parent(s) of a student at Our Lady of the Visitation School.

By signing this Handbook digitally, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any healthcare professional(s) of our choosing, we voluntarily and willingly accept those risks and acknowledge that returning to in-person classes and other in-person Our Lady of the Visitation School functions is the choice of each family, including ours. If student or parent(s) who visit Our Lady of the Visitation School have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a health care professional before student or parent(s) return to Our Lady of the Visitation School, attend any Our Lady of the Visitation School function, or visit Our Lady of the Visitation School. Moreover, we acknowledge that while adherence to safety and precautionary measures (e.g., social distancing guidelines, facemasks, handwashing, etc.) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and death remains. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s) while at Our Lady of the Visitation School or any Our Lady of the Visitation School function, including possible infection with COVID-19.

We further acknowledge, understand, and agree that we have obligations to the school and parish, its employees/staff members, students, and others to take certain precautions and make certain disclosures to prevent the spread of COVID-19 as outlined by the State of Ohio and the applicable local public health department.
