

My name is Stephanie Knapke, and I am a full-time Registered Nurse at Our Lady of the Visitation School. I would like to welcome your child to Kindergarten, and I am excited to meet them and help make their days at school successful!

Here are some things your child will need:

Health History form and EMA (completed and signed by parent/guardian). (It is a two sided form!) This form will be sent home the first day of school. **It MUST be returned by Friday, August 22, 2025.**

Immunization (shot) record. If your child did not attend preschool at Our Lady of the Visitation, please bring your immunization record to the Kindergarten screening on **May 2nd, 2025**, or have your provider fax it to the school. **Most pediatricians' offices will fax this upon your request.** MyChart is another helpful tool. You will need to provide a copy of your child's immunization record **no later than Tuesday, September 2, 2025**, to avoid exclusion from school. You can access the list of required immunizations in the link. [Ohio Immunization Summary for School Attendance.](#)

Will your child need medication throughout the day? Our Lady of the Visitation requires a doctor's order for both prescription and over-the-counter medications. Forms are available on the website or are available at the school

<https://olvisitation.org/school/Visi-Vitals/Nurse-Absences> (Medication Administration tab)

If you have any questions or concerns or would like to discuss your child's special health needs, please feel free to contact me.
