

My name is Stephanie Knapke and I am a full time Registered Nurse at Our Lady of the Visitation School. I would like to welcome your child to Kindergarten, and I am excited to meet them and help make their days at school successful!

Here are some things your child will need:

Health History form and EMA (completed and signed by parent/guardian). (It is a two sided form!) This form will be sent home the first day of school. **It MUST be returned by Friday, August 23, 2024.**

Immunization (shot) record. Please bring your immunization record to the Kindergarten screening or have your provider fax it anytime between now and the first day of school. A copy of the immunization record **MUST** be received by **Tuesday, September 3, 2024** to avoid exclusion from school. **Most pediatricians' offices will fax this upon your request.** You can access the list of required immunizations in the link. [Ohio Immunization Summary for School Attendance](#)

Will your child need medication throughout the day? Our Lady of the Visitation requires a doctor's order for both prescription **AND** over the counter medications. Forms are available on the website or available at the school
