## AUG'S BLOG

Visitation Families,

This is the image of the Divine Mercy Jesus. On Friday, students will be praying the Divine Mercy Chaplet in Church at 8:30 a.m. The Chaplet of Divine Mercy is a prayer that Jesus dictated to Saint Faustina, a young Polish nun, in the 1930s. He directed this humble nun to pray unceasingly and to encourage others to do the

same, attaching to its prayerful recitation a myriad of extraordinary promises. The Chaplet is prayed on the beads of an ordinary rosary and may be recited in about ten minutes or sung using various melodies in about twenty.

Blessings to our 7th grade students who were confirmed on Tuesday evening. Thank you to the parents, sponsors and staff who prayed and helped prepare our students for this beautiful event. As I remind the students...Confirmation is a process not an event!

This week marks the end of the third trimester. Leap Day, Feb. 29th is the last day of the 2nd trimester. Then we are in the homestretch!

Uniform reminder: Solid color socks must be worn, no hoodies in school, no hoop earrings and only one simple necklace may be worn.

**Students will be off on Monday, April 8th.** This is a change to the calendar and will extend our Spring Break one day from the original schedule. This is the day of the total solar eclipse. For more information visit the NASA website - <https://science.nasa.gov/eclipses/future-eclipses/eclipse-2024/where-when/>

8th Grade Parents- Please send a copy of your child's scholarship into school or email it to Holly at [haug@olvisitation.org](mailto:haug@olvisitation.org)

Blessings,

*Holly M. Aug*

## COOK'S CURRICULUM CORNER

We are excited to share with you the wonderful progress our first-grade students are making in their writing journey! This month, our young writers have been delving into the world of opinion pieces, expressing their thoughts on a topic close to many hearts: their favorite food. In their latest assignment, students were tasked with crafting a well-structured paragraph that included an introduction, three supporting details, and a conclusion. Unsurprisingly, pizza is a crowd favorite!

Khan Academy now has a kid's version for children ages 2-8. The version for older students is simply **Khan Academy**. The app is free and helps kids with reading, writing, math, problem solving and motor development skills. This app is adaptive, which means it tracks kids' learning levels and provides them with appropriate, yet challenging activities. This app is available on most devices and is called **Khan Academy Kids**. Parents can create accounts and see their child's progress as well.
