AUG'S BLOG

Visitation Families,

The primary goal of a Catholic education is to prepare children for salvation. Our Lady of the Visitation also supports character development, instilling in children ethical values that ultimately guide their decision-making process; from their personal, everyday behaviors to their chosen career paths. Moral conduct is built into the very fabric of school culture. This is what you signed up for when you registered for Our Lady of the Visitation. By

signing the handbook, you agree to follow guidelines that will help all stay safe while working toward salvation. Please make sure you review the handbook and sign off when you have read it. The handbook was sent with the social media consent form/permission to publish last week.

Stricker's Grove Night for Our Lady of the Visitation is **Friday, Sept. 13th from 5-10**. Stricker's Grove is a small family owned amusement park in Ross, Ohio. (25-30 min. away). The park is only open to our parishioners that night. The parish provides hot dogs, brats, metts and drinks. Parishioners are asked to bring a side dish or dessert to share. There are picnic grounds, rides, Putt Putt, etc. It is a great time to meet people of the parish. The rides open at 6 p.m.

Reminders:

- Please be mindful of our handicapped spots, especially the ones near the Pavilion.
- Please continue to pray for our 7th grade student, Ross, who is battling a brain tumor.
- Picture Day is Sept. 10th for most students. Preschool students who don't attend on Tuesdays are the exception. Students are photographed from the waist up, so they can wear shorts with a nice top.
- If you have little ones, please practice having them open lunch items (juice bags, Bentgo boxes, fruit cups, milk containers, Gogurts, twist off with water, etc.) We always make them try first.

Blessings,

COOK'S CURRICULUM CORNER

A reminder that students in grades 2-8 will take the MAP reading and math tests on September 9th, 12th and 13th next week. It is important that your child gets enough rest, eats a good breakfast and arrives at school on time. Once testing is complete, teachers will meet to look over the data the following week to discuss student needs, focus on skill based learning and make instructional decisions to drive student growth. Once all data meetings are complete student scores will be released to parents.

Students in grades 4-8 have the opportunity of participating in Piano Enrichment classes at Visitation. Students meet in group format to train and refine their piano skills. The classes are organized by grade level, one meeting per week during their flex time. There is no additional cost for students to participate, but they need to keep up with practicing their instrument at home. To enroll your child/children in piano enrichment, please fill out this form: <https://forms.gle/MN8h8L3SWNTaZ828A>

The beginning of the school year can be an exciting time for both parents and their children. BAND

Give the gift of instrumental music education to your child!! Picking up an instrument is a great way to unplug from screens, exercise the mind, and practice mindfulness. Being in band is also FUN!! We put on two concerts each year plus the advanced band goes to a music festival at Kings Island in the spring. Band can be an investment as well, as several colleges and some Catholic high schools have scholarships available for students who participate in band. Both the beginning band and the advanced band enrollment forms can be found on our school website. <https://olvisitation.org/school/Get-Involved/Activities-Clubs/Band>

Sign up and send in the participation fees by this Thursday. Band starts NEXT WEEK!!!
Have questions? Please contact Susan Cassidy at scassidy@olvisitation.org.
Band is open to all Visitation students in grades 5 - 8. No prior experience necessary!
