**AUG'S BLOG**

Visitation Families,

A huge thanks to the parish for hosting a wonderful night at Stricker's Grove last Friday. This is their way of thanking all volunteers throughout the entire year! I think every child left there with a smile and many left with bellyaches from too much sugar!

The women of Welcome (formerly Christ Renews His Parish) are eager to host their next retreat on Oct. 8th and 9th. This is a wonderful opportunity to grow

closer to God with fellow women. For many, the weekend helps put you back on the right path in your faith journey. Many wonderful friendships have been formed from this weekend as well. Please see the attached flyer for details.

**Parent Alert:** The Drug Enforcement Administration is advising the public of an alarming emerging trend of colorful fentanyl available across the United States. In August 2022, DEA and our law enforcement partners seized brightly-colored fentanyl and fentanyl pills in 18 states. Dubbed "rainbow fentanyl" in the media, this trend appears to be a new method used by drug cartels to sell highly addictive and potentially deadly fentanyl made to look like candy to children and young people. They are made to look like Skittles, Sweet-tarts or rock candy. Fentanyl is a synthetic opioid that is 50 times more potent than heroin and 100 times more potent than morphine. Just two milligrams of fentanyl, which is equal to 10-15 grains of table salt, is considered a lethal dose.

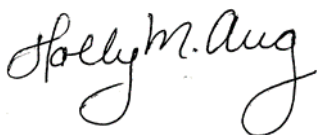

In my last Google follow-up search, it did not seem that "Rainbow Fentanyl" has been found in Hamilton County, but Fentanyl has. It's probably a good time to remind your children not to take candy from strangers unless parents are around to supervise it.

Schools receive safety alerts throughout the year to help keep us informed of potential threats. Alerts could be something like fentanyl, Covid, or security issues.

Speaking of safety, you may have noticed Green Township Police sitting in our parking lots. This is proactive behavior to help keep our schools safe. The police officers are watching traffic patterns and catching speeders. Officers will also walk through the building so that they are familiar with the floor plan. In addition, our school will undergo a "Vulnerability Assessment" to determine our greatest safety needs. If there are any incidents at school, I will send out a Rediker message with any details I can provide.

Don't forget to spend time with your family at mass this weekend. Even better, ask another family to join you for mass! Our parish times are 4:00 Saturday, 8:00 and 10:00 a.m. on Sunday morning.

Blessings,

**COOK'S CURRICULUM CORNER**

Students in eighth grade are working on reading the short story The Most Dangerous Game by Richard Connell. Throughout the story students have been working in literature circles to discuss elements of the book such as setting, characters and events. The students are responsible for citing evidence throughout their discussion to provide a point of reference for their opinions. The students enjoy hearing each other's thoughts and even providing friendly counter arguments.

A great tool for students to use to study for an assessment is <https://quizizz.com/join>. This is a free app available on most devices. Students can create their own quizzes, search for premade quizzes, and even take teacher created quizzes with a specific code provided by the teacher. Many teachers provide students with codes for quizizz to give their students another tool to help them study for assessments.

Please see the attached flyers for our Chess Scholars, Coding and STEAM clubs. First session begins in October.

Honor Sophie and support children just like her.

We are getting close to the 2022 Angel Run (formerly Sophie's Angel Run) on September 25. We really hope to see you at St Jude Oktoberfest. Other than the name change, the race will be the same as years past.

*For the past 15 years, it has been our privilege to honor the memory of our beloved Sophia Grace through the fundraising efforts of the entire Sophie's Angel Run team of volunteers....Now, we recognize that the time has come for us to hand off our important work to a new team, a like minded group that can ensure that our goal to combat pediatric brain cancer will continue. Thus, we're excited to let you know that our friends at The Cure Start Now will now be conducting the "Angel Run" in conjunction with St. Jude's Oktoberfest this year and thereafter. We will be helping them transition the race this year, and will be in attendance to welcome and thank past supporters, and encourage future support for this life-saving work." - Mark & Missy Meinhardt*

## WOMEN of INTEGRITY Six Program Emphases

The American Heritage Girls Program Emphases creates a well-rounded experience for girls. A girl who completes the AHG Program will be a Christ-following servant leader who is honoring, relational, anchored in Christ, and competent: a woman of integrity.

### FAITH:

Girls are encouraged to grow in their faith and relationship with God through the AHG Faith Award Program, prayer, fellowship, and service, which are woven throughout each aspect of the AHG Program.

**Outcome:** *A Christ-follower who submits to Christ and seeks God's will for her life.*

### LEADERSHIP:

The AHG Program is rich in leadership opportunities for girls of all ages. Girls discover their passions, acquire project management skills, hold leadership positions, and participate in leadership training.

**Outcome:** *A servant leader who follows Jesus' model of leadership by putting others first.*

### SOCIAL & EMOTIONAL

Girls will gain a better understanding of their identity in Christ through the AHG Program. AHG's multi-level Troop structure encourages girls to create friendships with girls of all ages. This unique Troop structure allows for mentorships and learning opportunities to occur naturally among girls. Girls learn to anchor their emotions in Christ in a caring and loving environment.

**Outcome:** *A relational girl who invests in positive and loving relationships with others and clings to Christ when navigating emotions.*

### OUTDOORS:

Nature reveals to us God's beauty, glory, power, wisdom, presence, creativity, and, most of all, His loving care. Through the AHG Program, girls are encouraged to participate in outdoor activities such as hiking or camping several times a year. High Adventure activities are great times for team building, leadership, physical activity, and strengthening relationships with friends. The outdoors will educate girls about their natural world and the beauty God has bestowed upon them.

**Outcome:** *A girl who values creation through outdoor experiences that display the glory of God's creation.*

### CITIZENSHIP:

The AHG Program provides girls with a deeper understanding of their country and heritage. Girls cultivate honor for their country by participating in patriotic events, flag ceremonies, serving in their community, and through badge work. Serving others and being active citizens with their Troop, fosters a lifelong love for their country.

**Outcome:** *An honoring girl who cares for her community as an active citizen through service and patriotism.*

### LIFE SKILLS:

In the AHG Program, girls can step out of their comfort zone and try new experiences in a safe environment. Earning badges provides girls the opportunity to learn a wide array of life skills, inspiring them to become lifelong learners and doers. AHG's six Badge Frontiers include: Heritage, Family Living, Arts, Outdoor Skills, Personal Well-Being, and Science & Technology.

**Outcome:** *A competent girl who enjoys mastering new skills and applies them to her life.*

SUNDAY, OCTOBER 2nd

1:00 p.m.

Our Lady of the Visitation Grotto

## **Come One, Come All!**

Please join us in welcoming family pets for a Blessing of the Animals! Catholics all over the world bring animals to be blessed as a reminder of our love for God's creation and our responsibility to be its stewards. Bring your cat, dog, birds, creepy crawlers and horses in honor of St. Francis of Assisi. The public is invited so please share this special invitation with other animal owners.

For the safety of people and pets, we do ask that all animals remain either leashed or caged throughout the celebration and that you pick up any presents left "behind" by your pet. For more information, call the religious education office at 513-347-2228.
