AUG'S BLOG

Visitation Families,

September is Pediatric Brain Cancer Awareness Month. In honor of this, Our Lady of the Visitation is going to host their own Cones for the Cure Fundraiser. Many families have reached out as to how they could help support the families of CeCe Sharp and Ross Lanter. Both students have been supported by The Cure Starts Now. This is your opportunity to take part in supporting a great cause and honoring these two warriors! Students will have the opportunity to buy a scoop of Graeter's ice cream on Thursday, Sept. 29th

during their lunch periods for \$5. Cash only. While that seems expensive for a scoop, each scoop will raise over a \$1 for The Cure Starts Now. **Additional donations/checks can be made out to The Cure Starts Now. Place checks in an envelope marked "The Cure Starts Now".** Cash for ice cream is separate please. There are 4 Graeter's flavors available for the students in Grades K-8. (Preschool will be served vanilla.)

1. Black Raspberry Chip
2. Double Chocolate Chip
3. Cookie Dough
4. Vanilla

It would be great if the little ones had their ice cream choice ready ahead of time. Thanks to Mrs. Lanter and Mrs. Sharp for allowing us to support them in this way! We have a great community here at Our Lady of the Visitation! *We will make sure all children will have an ice cream, even if their money gets left on the counter! Just send in the next day!* Thanks to an anonymous donor for helping support this fundraiser as well.

The women of Welcome (formerly Christ Renews His Parish) are eager to host their retreat on Oct. 8th and 9th. This is a wonderful opportunity to grow closer to God with fellow women who need a change in their life. For many, the weekend helps put you back on the right path in your faith. Many wonderful friendships have been formed from this weekend as well. Please see the attached flyer for details.

Enjoy the weather! Don't forget to make time for mass this weekend!

Blessings,

Stacy M. Aug

COOK'S CURRICULUM CORNER

Students in Mrs. Behrle's health class studied the main food groups, learned how to read nutrition labels, and worked together to build healthy meals. Students were asked to bring in non-perishable food items to help with these hands-on lessons. The students completed the unit by donating the food to The Tram Food Pantry in Cleves. The students learned the value of nutrition and the importance of service in their daily lives.

Khan Academy now has a kids version for children ages 2-6. The app is free and helps kids with reading, writing, math, problem solving and motor development skills. This app is adaptive, which means it tracks kids' learning levels and provides them with appropriate, yet challenging activities. This app is available on most devices and is called *Khan Academy Kids*. Parents can create accounts and see their child's progress as well.

Please see attached flyers for after school enrichment clubs: Chess, STEAM and Coding.
